NO. 278—SIXTY-FOURTH YEAR

VICTORIA, BRITISH COLUMBIA, THURSDAY, NOVEMBER 2, 1922

TWENTY-TWO PAGES

STAY AT HOME, ADVICE GIVEN

Sir Auckland Geddes Tells Ridley College Students There Is Restoration and Development Work at Hand

HOPES THEY WILL NOT LEAVE NATIVE LAND

Finds Difficulty of All Countries in Keeping People Prosperous Less Marked in Canada.

ST. CATHARINES, Ont., Nov. 1.—Young Canadians should stay in their own country, Sir Auckland Geddes, British ambassador to the United States, advised students of Ridley College in an address delivered during the course of a visit to his son, who attends that institution.

"At the present time in the world," he declared, "there is a great difficulty in all countries in keeping all sections of the people prosperous. This difficulty is less marked in Canada than in any other British Dominion and less throughout the Empire than in the rest of the world. You young men have got to bring the world back."

He asked the student body "are you going to follow the spirit of the men who fought and laid down their lives in the war, or are you going off somewhere else?"

They were the children of a great race and a great community, with duties to all members of that community. He hoped that the future responsibility of the world would rest on Ridley and other schools of the Dominion in this respect, he said.

Sir Auckland and party left tonight for Washington.

WILL CONTEND FOR REEVESHIP

Ward Four Meeting Brings Out Fact That Councillor George McWilliam Will Be in Field in Saanich

With the holding of a meeting by the Ward Four Ratepayers' Association last evening in Marigold Hall, it became known that Councillor George McWilliam is in the field as a reeve candidate in the coming municipal elections in Saanich. This is the first announcement to be made in regard to aspirants for public office in the neighboring district.

Reeve George Watson, it was stated, would not say whether or not he would stand for a fourth term, but Councillor McWilliam will be in the field no matter what action the present incumbent takes. There is a rumor abroad and said to be well founded, to the effect that Mr. Eric Kingwell, a former councillor, and a candidate for the 1923 reeveship, is seriously considering entering the lists in an endeavor to reach the highest municipal post.

The Ward Four meeting last night, attended by between thirty and forty people, decided that a public meeting would be held in the Marigold Hall under the auspices of the Ratepayers' Association on December 6 in place of the regular monthly meeting of the organization, to discuss candidates for municipal positions. The gathering last night made nominations to go before this meeting.

From last night's meeting the names of Councillor McWilliam, for the reeveship, Trustees A. E. Hull and Messrs. C. H. Wilson and W. H. Robertson, for the Ward Four councillorship, and Messrs. James O'Connell and J. Cheatham for positions on the Saanich School Board, will go before the public meeting on December 6, when further nominations can be made.

Officers Elected
The following officers for the year were elected by the Association: President, Mr. Frank Mello; vice-president, Mr. A. P. Fryatt; and secretary-treasurer, Mr. J. Cheatham. These, together with Messrs. J. O'Connell, W. H. Nix, E. A. G. Reid, Dr. H. Francis and Mr. West, will form the executive. Messrs. O'Connell, Nix and Cheatham were chosen as the Association's representatives on the Central Ratepayers' Association. Mr. J. O'Connell was selected as auditor. The new officers will take office on January 1.

A discussion of various municipal matters was carried on at length, but no decisions were arrived at. Councillor McWilliam and School Trustees Hull were asked a variety of questions. The latter announced that the School Board had decided to place a referendum before the electorate at the annual election on the question of whether or not a high school fee should be charged. He added that he would personally endeavor to have the Board submit a referendum also on the question of manual training.

A resolution asking the Saanich Council to inaugurate a municipal service owing to the B.C. Electric Railway failing to provide an adequate schedule on the interurban line was moved and seconded, but was dropped on the advice of Councillor McWilliam, who pointed out that the matter required serious consideration.

Leads Labor Party

MR. ARTHUR HENDERSON
Leader of the British Labor Party, who is receiving Liberal Party support in fight against Labour candidate for re-election to House of Commons.

NO HELMSMAN ACROSS OCEAN

Mechanical Steering Device on Gyroscope Principle Supplants Quartermaster's Hand on American Passenger Ship

NEW YORK, Nov. 1.—A mechanical steering device supplanted the hand of the quartermaster of the Munson liner Sunargo on her last voyage from Eastern Cuban ports to New York. The vessel, which docked here yesterday, was the first American passenger ship to make an ocean voyage without a helmsman.

Captain Asburn said the device was worked on the gyroscope principle. It was invented by Elmer A. Sperry, inventor of the gyrocompass. It insured a mechanically perfect course and gave warning of deviation by ringing a bell.

Scared Cuban Pilot
It was put into use on the southern trip on October 20, he said, and was used throughout the voyage to Cuba and back to New York except when approaching harbors.

When the ship reached Cuba, Captain Asburn said, the Cuban pilot, seeing no man at the wheel, became frightened and shouted to the ship's officers that the vessel would go around.

ON WAY TO VICTORIA FOR WINTER RESIDENCE

VANCOUVER, Nov. 1.—On his way to Victoria where he will take up residence for the winter, Major-General Percival Edward Thacker, C.B.M.G., former adjutant-general of the Canadian overseas military forces in London, is in Vancouver today.

JOINTLY RESPONSIBLE FOR FOOD TROUBLE

Claimed Journalist Who Resigned From Empire Exhibition Should Have Complained Sooner

LONDON, Nov. 1.—A letter to The Times says that Robert Donald, the well-known journalist, who resigned from the management committee of the British Empire Exhibition on October 19 because the committee had decided that it would be impracticable to limit all the supplies for the exhibition restaurants to Imperial products, must share responsibility for the committee's action because he failed to call its attention to the matter, as the management committee was appointed that June.

Suggests Complete Ban
The only policy that will safeguard the position that only Imperial products should be used in connection with the exhibition, The Times correspondent claims, is to begin by shutting the door absolutely against the use of foreign food products or raw materials and then open it only after full consultation with the Dominions, if it is to be opened at all.

Prepared to Work
So far, no watertight contract has been entered into, the correspondent points out, and he suggests the appointment of a board of leading business men, including representatives of the British Dominions, not more than seven in number, who are prepared to give at least two hours a week to the work of the management of the exhibition.

DELEGATES DENOUNCE ALBERTA LIQUOR ACT

Substitute System of Government Control as Adopted in British Columbia Demanded

CALGARY, Nov. 1.—Only by the narrow majority of four votes was a resolution defeated this morning at the opening session of the fourteenth annual convention of the Alberta Association of Municipal Districts, asking the Provincial Government to repeal the present Liquor Act and to substitute a system of Government control on the lines adopted by British Columbia.

In Frank Language
There was a large attendance of delegates when this resolution, which was the first to be taken up was discussed and delegates expressed themselves in the frankest language denouncing the present act.

GOVERNMENT'S SAFE MAJORITY

By Vote of Twenty-Five to Seventeen Amendment of Local Member Voted Down in House Yesterday

DEBATE ON SPEECH TO REACH EARLY CLOSE

Leader of Opposition Expected to Speak Today, and Be Followed by the Premier, Hon. John Oliver

By Friday, the debate on the motion for the address in reply to the Speech from the Throne will be completed. There has been much said of the Government's intention to discipline the opposition, and the cry that the members must be "out of the benches by Christmas" has been used as the excuse to support the Government's demand that the Speech on the debate must be curtailed.

Yesterday it looked as if a deadlock had arrived; that the opposition members were determined to fight the demand of the Premier, that the proceedings should be carried on according to the Government programme. A night session was forced on the House, but the speeches had not gone far when it was disclosed that the Premier's policy had won out. Colonel Fred Lister, the soldier member for Kaslo, adjourned the debate. He will go on today, followed by Mr. W. J. Bower, K.C., Opposition Leader, and tomorrow the Premier will conclude the debate. It may be that some private member will continue the talk; but once the Premier has answered the opposition leader, interest in the debate will die.

Speaker's Ruling
Following the debate on Tuesday on the point of order raised by the Premier as to whether Canon Hinchliffe had not vacated his right to continue the debate, Mr. Speaker Pauline held that the point was well taken. (Continued on Page 20)

POINTS MADE IN ELECTION FIGHT

Mr. Bridgeman Takes His Hat Off to Late Premier, But Doubts if Country Needs Hustling

LONDON, Nov. 1.—Among the interesting points made by candidates in the general election in recent speeches are the following:

Lord Robert Cecil: "A league of classes at home is as essential as a league of nations abroad."

The Negation Policy
Sir John Simon: "The Liberals have a message of policies and principles and are not wrangling about personalities. Statecraft is a housekeeping on a great scale. Women voters will not be content with the policy of negation, or stand still. Nor will they risk everything dear in the home by an experiment in Socialism."

Wm. C. Bridgeman: "I take off my hat to Lloyd George, but I am not sure that in these times you want so much hustling. Bonar Law, for the present, is the man the people want."

Could Not Collect It
Sir Donald MacLean, Liberal: "First class brains evidently could not cure unemployment at home or abroad. You want not merely intellect, but a policy of action carried out by men of character. The Labor party's proposed capital levy simply could not be collected."

TO PAY U. S. DEBT

WILL BE FIRST DUTY, SAYS NEW BRITISH CHANCELLOR

LONDON, Nov. 1.—The new Chancellor of the Exchequer, Mr. Stanley Baldwin, declared tonight that his first duty will be to settle the debt to the United States. He made this announcement in a speech at Cardiff when he alluded also to the necessity of a prompt settlement of the reparations problem.

Regarding the amount owing to the United States, he said: "It is a heavy debt, but we have told America that we are responsible for it to the last penny, and we are going to pay it."

CANADIAN STEAMER WITH LOST RUDDER IN NEED OF HELP

HALIFAX, Nov. 1.—The Merchant Marine steamer Canadian Seigneur has lost her rudder and is in need of assistance approximately 730 miles north-east of St. John's, Nfld., according to advices received by the Marine and Fisheries Office here.

No Government ships were available here tonight to go to Seigneur's assistance.

CAPTOWN IN PORT TODAY

AT 9 o'clock this morning H.M.S. Capetown will reach Esquimalt. A wireless message giving that hour as her anticipated time of arrival was received at the Navy Yard last night from the vessel, which is now steaming north from Monterey, Calif. She will be here for about ten days, and will then move up to the neighborhood of Comox for firing practice and thence to Vancouver for a visit. The public of Victoria will very likely be given an opportunity to inspect the ship while she is at the station.

FIRING SQUAD ENDS LIFE OF PROMINENT REBEL LEADER

EL PASO, Tex., Nov. 1.—Gen. Francisco Murguia was executed by a firing squad at 9 o'clock this morning, according to a telegram from Mexico City, transferred at the Customs House in Juarez.

General Murguia, captured yesterday by Government forces, was one of the most prominent rebels against the Obregon regime.

TO PLACE TIMES ON OLD BASIS

New Owners of London's Great Daily Newspaper Seek to Recover Old Position of Quiet Authority

LONDON, Nov. 1.—The attitude of The Times in the present political juncture is interesting. It will be remembered that the proprietorship of the Times recently passed entirely out of the hands of the Harmsworth family and was regained largely by the family of the original owner, the Walter family. Under the ownership of the late Lord Northcliffe, The Times affected a more "gentlemanly tone."

One of former Premier Lloyd George's bitterest utterances in the House of Commons was an attack on the Times as a "three-penny copy of The Daily Mail."

To Recover Standing
The latest ownership of The Times is capable of doing to recover the Times old position of quiet authority, without, however, the ponderosity which, in the Victorian era, made it essential to any "great daily."

In the present political pass The Times appears to possess somewhat the same mental attitude as Bonar Law did in his day, when the British Empire was at its greatest, and the Times gave its cautious benediction to the new Premier.

Approves New Ministry
Yesterday it spoke approvingly of the retention of the new ministry and its unwillingness to deck out a programme with resounding or attractive promises. Today it gives its general benediction to the new ministry, who are "eminently respectable, and certainly not below the level of those in the late Government," and proceeds to discuss the personalities which have been flying about between the Conservatives and the Liberals.

Lost Confidence
The initial fault for those personalities, The Times says, may lie with the former Premier, for throwing doubt on the minds of the men who have succeeded him. "But all this is froth," The Times says, "and cannot alter the fact that the late government fell, despite the alleged excellence of its members' minds, because a considerable section of the electorate had lost confidence in it."

Men of Respectability
The Times continuing, says: "If the new ministers are men of respectability, rather than outstanding ability, then it is no need to distrust them on that account. Self advertisement is not always a sure means of inspiring trust in others."

The Times' main editorial, in this morning's main editorial, The Times appears to be feeling its way very carefully just now.

SUGGESTS AGREEMENT ON DRUMMING TRADE

Subject Which Involves a Large Number of Consulates in United Kingdom Crops Up

LONDON, Nov. 1.—The note which Ambassador Harvey, it is learned from an authoritative quarter, has received from the British Government with regard to the case of the American consul at Newcastle, suggests that Great Britain and the United States come to an agreement with regard to the case of the consul at Newcastle, who has been permitted American consular officials to drumming up trade for the United States.

A question thus assumes a much broader aspect than the Newcastle consulate issue, as it involves a large number of consulates throughout the United Kingdom.

Shot by Robber
HALIFAX, Nov. 1.—L. A. Corkum, grocer, was shot in the abdomen in his store here last night by an unknown assailant, who also took a sum of money. Corkum is in a critical condition.

FEAR OF LABOR DELAYS POLICY OF GENERAL WAR

But Announcement Hourly Expected That Lloyd Georgians Will Throw Down Gauntlet and Stake All on Next House of Commons—Late Premier Confined to House

WEBB CITY, Mo., Nov. 1.—This morning city today was checking up on the havoc wrought by a tornado which struck at midnight and resulted in the known death of one person, injury to a score or more others, one of whom must die, and demolished twenty-five to thirty houses in two widely separated sections of the city. Approximately a hundred persons are homeless.

Search for the dead and injured last night was hampered by a cloudburst which preceded the windstorm.

OPTION ON BUILDING FOR NEW CITY HALL

Tower Property, Which Originally Cost \$150,000, Offered to Vancouver for \$250,000

VANCOUVER, Nov. 1.—At this morning's City Council meeting Mayor Tisdell announced that the city had been offered the Tower Building on Pender and Beatty Streets for City Hall purposes.

The Council has decided to take a twenty-five day option on the property and a by-law will be submitted to the ratepayers at the December elections to ascertain their wishes.

The building, which was built for \$200,000, although its original cost was \$150,000.

FIRST SALARIES TO THIRD CLASS

Labor Leaders Charge Against Government — Labor Menace to Incompetent Gang, Says Philip Snowden

LONDON, Nov. 1.—Views on the political situation given in recent speeches by Labor speakers include the following:

Philip Snowden, well-known Labor leader, Independent Laborite: "Lloyd George has truly said labor has a formidable programme appealing to millions. Labor is a menace to the incompetent gang who brought this country into such a terrible condition. Labor's programme is not confiscation, but labor would prevent such scandals as we are witnessing here as they are making themselves rich beyond the dreams of avarice."

Chaima Men of Standing
J. R. Clynes, Labor leader: "The Labor party has men standing high in literature, art, law and science. The new government would give first class salaries to third class men. The ministry was drawn from the dukes, whose only housing problem was which one of their numerous houses they would inhabit, and in which season."

Mr. Asquith Claims Gains
Mr. H. H. Asquith claims immense gains on both Lloyd George and Bonar Law camps, because they are unable to reach an understanding. Neither the Conservatives nor the National Liberals will spread the conflict between them, but various attacks by local Conservative organizations, acting on their own responsibility, are causing growing irritation, and the they will be a serious factor in the next election.

Must Remain Indoors
Ordered to remain indoors by Lord Dawson, the King's physician, Mr. Lloyd George has been forced to cancel both his Bristol and Bath speeches tomorrow, and Lord Birkenhead will speak in his place. He hopes, however, to keep his engagement to speak here on Saturday, when a great rally has been arranged, with Mr. Austen Chamberlain and Lord Birkenhead on the platform.

Would Get Majority
Lord Birkenhead said, in an interview today, that the whole situation had disclosed the weakness "in our representative system. If this were a presidential election, and the candidates Mr. Bonar Law, Mr. Henderson (the Labor leader), there cannot be the slightest doubt that Lloyd George would be returned by an overwhelming majority. His difficulty is that he cannot obtain the value of his personality as an influence in terms of votes. Apparently the Conservative wirepullers are encouraging us to take on many comparatively inexperienced candidates in the hope that their failure at the polls will end in Lloyd George being marooned and helpless in the next parliament."

A section of East Dorset Conservatives have decided to oppose Captain Guest, late Air Minister and Coalition Liberal, although another local Tory section had already decided not to oppose Guest. The new Tory nominee is Ralph Hall Caine, son of the novelist, and quite well known in Canada in connection with pulp interests.

LIBERALS AID LABOR LEADER

GIVE SUPPORT IN FIGHT AGAINST UNIONIST CANDIDATE

Labor Party Keen to Break Unwritten Law and Oppose Speaker of House

LONDON, Nov. 1.—Mr. Arthur Henderson, Labor leader, is receiving Liberal support in his fight for reelection to the House of Commons. Mr. J. H. Whitney, the Speaker of the House of Commons, is not likely to be opposed in Halifax, where he is running again, although the local Laborites are said to have been itching to break the unwritten law against opposing the Speaker of the House.

Sir Arthur Griffith Boscawen, the new Minister of Health, is having opposition in Taunton from a gentleman farmer standing as a Liberal, who believes that agriculture would be better represented by a resident farmer than by a man whose energies would be absorbed in a public department.

William Wardley, the first Labor Lord Mayor of Sheffield, is likely to oppose the Independent Liberal newcomer in the Hallam division of Sheffield, also Sir Frederick Sykes, Mr. Bonar Law's son-in-law, who seeks to succeed Douglas Vickers in that constituency. Mr. Vickers is chairman of the great armament firm in Sheffield.

TRAINS WILL STOP

CANADIAN PACIFIC RAILWAY TO OBSERVE ARMISTICE DAY

MONTREAL, Nov. 1.—It is announced that the Canadian Pacific Railway will stop in the general memorial celebration of Armistice Day. At 11 o'clock, Eastern standard time, all trains on the system will be brought to a halt for two minutes and all work in the company's offices, shops, stations, maintenance of way and other activities will be suspended for the same length of time.

SITUATION IS TENSE IN BRITISH ELECTION

LONDON, Nov. 1.—(Copyrighted in U. S. by The New York Herald)—With Lloyd George confined to his home with a sore throat, his anticipated declarations of open warfare at the polls with the Conservatives and die-hards was withheld tonight. But his campaign headquarters were feverishly organizing the ranks and a dramatic announcement is expected hourly. It is claimed that by Saturday the list of regular candidates will be close to 400, while the Tories continued to force a fight in the accepted Coalition constituencies, and Lloyd Georgians will retaliate by nominating 150 emergency candidates.

Hesitate to Last Minute
They are hesitating till the last minute to do this because of fear of splitting the vote in such a way as to enable Labor to gain control.

The former Prime Minister's adherents say that the Tories, blinded by party fever, are riding for a fall.

The Party Candidates
The four-cornered fight has grown more intense, with 1,371 candidates provisionally adopted already. These are divided as follows: Conservatives, 462; Labor, 410; Independent Liberals, 329; National Liberals, 176. It is more than likely there will be more before Saturday, as the breach is widening between the National Liberals and the Conservatives.

The real fireworks of the campaign is expected this week-end. Prime Minister Bonar Law has promised to adopt a fighting attitude in his forthcoming speeches in order to reply to Mr. Lloyd George's sharp censure of his ministry. The former's supporters say he will take his coat off.

CIRCULATE ROUBLES IN ELECTION FIGHT

LONDON, Nov. 1. (Copyrighted in U.S. by New York Herald).—Russian rouble notes, overprinted with the legend, "Vote for Labor and this is what your money will be worth," are being distributed by the Conservatives in the latest electioneering dodge of the campaign. Thousands of the latest and most attractive Soviet issues have been bought up, at no very great expense, for the propaganda.

NATIONAL LINE GETS MATERIALS

To Pick Up Unused Equipment of Hudson's Bay Railway to Kettle Rapids for Branch Line Purposes

THE P.A.S. Men, Nov. 1.—Immediate completion and operation of the Hudson's Bay Railway will not be brought about, it is believed here. Authoritative advice states that recent orders have been issued by Canadian National officials to proceed at once to pick up all unused railway material along 325 miles of the railway as far as Kettle Rapids, the end of steel.

Commence Work Immediately
Train crews, gangs of men with extra engines and cars, will commence work immediately, it is learned. The unused railway material, consisting of large quantities of ties, 80-pound steel rails and fastenings, complete switches, telegraph wire and all other material will be hauled on for branch line purposes throughout the Prairies Provinces.

Branch Line Policy
It is believed that some 80-pound rail will replace 60-pound steel on the Hudson's Bay Junction—The Pas branch line.

The new Canadian National board of management will concentrate upon a branch line policy for the present, it is thought, in preference to the early completion of the Hudson's Bay Railway.

LABOR ROUTE IN CITY CONTESTS

INCOMPLETE RETURNS SHOW LOSS OF 149 SEATS

Representation in Some Instances Was Completely Wiped Out by Yesterday's Vote

LONDON, Nov. 2.—The rout of Labor was the feature of the municipal elections in a large number of boroughs throughout England yesterday (Wednesday). Up to an early hour this morning the returns were incomplete, but it was significant that in ten of London's twenty-eight boroughs the completed returns show that Labor lost 149 seats which had previously been held by Laborites, in some instances their representation being completely wiped out.

CARTED STOLEN LIQUOR IGNORANT OF THEFT

VANCOUVER, Nov. 1.—James Clifford Brought was arrested recently while driving a wagon in which were three cases of liquor stolen from the Abbotsford liquor vendor's store. But an assize jury today found that Brought had no knowledge of the theft, and acquitted him. The liquor was ordered returned to the Government.

Sargent proved that he had been hired to drive the liquor into Vancouver and had no other knowledge of it.

COAL FAMINE A LONG WAY OFF

Canada's Supply Will Last Thirty Thousand Years, Says Dr. Camsell, Deputy Minister of Mines

OTTAWA, Nov. 1.—"Canada has sufficient coal to last thirty thousand years," Dr. Charles Camsell, Deputy Minister of Mines and chairman of the special committee of government scientists empowered to investigate the possibility of adapting Canadian bituminous coal to furnace use as a means of relieving the situation in the acute coal area, informed the Canadian Press last night.

"The acute coal area," he explained, stretched from the western boundaries of the Province of Manitoba to Montreal, and it was within these limits that the demand for some solution was the most pressing. Dr. Camsell said that the first report of his committee would be in the hands of Hon. Charles Stewart, Minister of the Interior, within a few weeks. Complete information as to Canada's coal fields was already in the hands of different government departments, and this would be collected and arranged for the use of the committee.

Develop Bituminous Coal
Already the search for measures to develop the coal fields was under way. The "acute coal area" was dependent on the United States anthracite producers has narrowed down to two broad lines of action.

The first through developing bituminous coal to such an extent as to make it generally available for furnace use and, secondly, through the importation of the best grades of Welsh anthracite coal during the summer. That the people must not look for immediate relief and that this relief would only come after the most careful study and preparation, was Dr. Camsell's opinion. The anthracite coal supply in the United States, however, was gradually decreasing and the time was coming when Canadians would, of necessity, be compelled to use the domestic supply for heating.

ITALIAN PREMIER IS MAN OF EXPERIENCE

Once Sought Sanctuary in Switzerland, From Which Was Afterwards Expelled

GENEVA, Nov. 1.—Benito Mussolini, whose spectacular rise to the premiership has excited world-wide interest, spent an exciting few years in Switzerland during his youth.

His entrance into this country was dramatic. He was pursued over the frontier at Chiasso by Italian gendarmes, who had a warrant for his arrest, but won his race for freedom by a scant hundred yards and the Swiss customs officers refused to surrender him.

Mussolini was about twenty years old. Fearless, he crossed the St. Gotthard Pass on foot, and upon his arrival in Lucerne was arrested as a vagabond without visible means of support. Political friends, however, went to his aid.

War Revolutionary Socialist

Later, he entered the University of Lausanne, but as he was a revolutionary Socialist and wrote many fiery articles for the Swiss and Italian Socialist press, he was finally expelled from Switzerland after several police warnings which he refused to heed. Then he went to Trent, in the old Austrian Tyrol, whence he was also expelled in 1911. Upon the declaration of a general amnesty, he left Trent for Milan, where he founded the newspaper *Popolo Italia*. He aroused the hatred of the Socialists in the conduct of his paper, however, by his campaign in favor of Italy's entrance into the war on the side of the entente, and later fought with the Italian forces at Montefiore and St. Carlo, where he was severely wounded. He left it a mangled man, debilitated in this city, and at Lausanne, which, upon his departure, he laughingly promised to pay when he should become a member of the Italian government.

DEMAND FOREIGNERS' RIGHTS BE RESTRICTED

PARIS, Nov. 1.—The Turkish national assembly will never agree to maintain the capitulations which were extra-territorial rights formerly accorded to foreigners. Mustafa Kemal Pasha, Turkish Nationalist leader, has informed the Brussels correspondent of Petit Parisien.

"But the door is wide open to all foreigners on condition that they recognize the independence of Turkey, fully and in every aspect," Mustafa Kemal said.

RED PEPPER HEAT STOPS BACKACHE

The heat of red peppers takes the "ouch" from a sore, lame back. It can not hurt you, and it certainly ends the torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub. You will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers.

Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any druggist for a jar of Row Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package. (Adv.)

STENOGRAPHER NOTED SEDITIOUS REMARKS

TORONTO, Nov. 1.—Trevor Maguire, D.C.M., Labor candidate in the recent by-election in Southeast Toronto and a member of the Workers' Party of Canada, was tonight convicted of seditious utterances by a jury sitting in assizes under Mr. Justice Riddell. A strong recommendation to mercy was added. The case arose out of a May Day celebration when a police force stenographer, W. J. Wall, took down extracts of Maguire's speech, including the following: "In looking around this British Empire (vampire would be a better name), we find it has committed untold atrocities in India, Egypt, and other countries, including Canada, and against Soviet Russia."

BELIEVE EDUCATION SESSION JUSTIFIED

But Do Not Endorse National Bureau of Education, Principal Purpose of Calling Conference

TORONTO, Nov. 1.—Absolute provincial autonomy in matters of education was the sole principle advanced by the delegates to the National Bureau of Education, who, yesterday, concluded their two-day educational conference at the Parliament Buildings.

The national bureau of education was not endorsed. The most that it could secure was the promise of those present to investigate any educational movements. The other concerns, which were also considered and upon which no decisive action was taken, were those connected with the publication of textbooks and with the use of motion picture films in the classroom. In failing to endorse the project for national bureau of education, the function of which would be to collect information concerning the various Canadian school systems and to investigate any educational movements, the conference adjourned without having accomplished the principal purpose for which it was called together.

In spite of this, however, the delegates felt that the meeting had been justified if only as the forerunner of other similar conferences.

WANT LIQUOR CONTROL ACT IN MANITOBA

WINNIPEG, Nov. 1.—Details of the proposed government liquor control bill, which the Moderation League will present to the Manitoba Legislature, backed up by petitions, and on which it is expected that a referendum will be taken early next summer, are announced today.

It is proposed that a commission of three members should administer the act, and that adults living in the province should be entitled to purchase liquor on production of a permit, which would cost one dollar, and in such quantities as the commission should determine. Local option areas, in which there should be no government store, are made possible.

There would be no drinking legally in public places, and no provision is made for sale in taverns or restaurants as in Quebec. It is provided that beer might be purchased direct from the breweries or production of the purchaser's permit.

One-half the profits earned under the proposed act would go to the province and the remainder to the municipalities, in accordance with their assessment.

ITALY'S NEW LEADER WANTS ALLIED UNITY

Message of Cordial Greetings and Assurances of Solidarity Sent to British and French Premiers

ROME, Nov. 1.—Benito Mussolini has sent a message to the British Prime Minister, Mr. Bonar Law, and the French Premier, M. Poincaré, announcing his accession to the premiership as "the representative of Italian ideals born at Vittoria Veneto."

The message conveys cordial greetings and assurances of solidarity among the Allied nations, which, Mussolini adds: "I regard as indispensable for the effectiveness of their political action."

A communique issued by the commander of the Roman Legion announces that by Premier Mussolini's instructions any action taken by the Fascists, either collectively or individually, which is directed against communists or persons presumed to be communists, will be repressed with the utmost severity, and the responsible leaders prosecuted and punished in an exemplary manner.

EXTEND COMPETITION ON HISTORIC SITES

OTTAWA, Nov. 1.—Authority has been granted to extend the closing date of the competition for designs for landmarks on historical sites from October 31 to November 15. This competition, which was organized by the Department of the Interior among the art schools and architects of the Dominion, is for the purpose of securing a design for a suitable standard to which will be affixed the bronze tablet intended to mark the historic sites of the Dominion, which are judged by the Historic Sites and Monuments Board of Canada to be of national importance and worthy of preservation and commemoration.

Five hundred dollars has been awarded for the competition as follows: First prize, \$250; second, \$150; third, \$100.

THREW HIM OUT
Thinking Would Be Handicapped Was Son Ontario Man Treated Him Rough

WINDSOR, Ont., Nov. 1.—Believing a masked man who entered his house and thrust a revolver in his face to be his son attempting to joke with him, L. Townsend, of Ford City, great-grandfather of the Premier, threw him out. Later, however, his son established an alibi.

Yesterday, Alphonse Gosselin, of Windsor, was held up, but he was the real would-be holdup, was remanded.

FREE LIBERALS ARE AMBITIOUS

Asquithian Candidates Increase at Rate Which Draws Them Close to Labor Party's Number

LONDON, Nov. 1.—A feature of today's news is the report that the Asquithian Free Liberals' candidates are increasing at a rate that indicates that they will show as much strength on nomination day as the Laborites. Labor's progress in the campaign is difficult to gauge. The leaders express high hopes and great confidence, but their confidence is not shared in the London insurance market, where business men concerned over the prospect of a capital levy, such as Labor proposes, were able yesterday to get odds of 24 to 1 that Labor would not come into power.

Run Local Candidates

Labor is making a big bid to capture most of the seats of the Greater London, and three-cornered contests will be numerous. As in other parts of the country, the Labor party considers that a local candidate stands a greater chance of success than one selected by a central organization. In the London divisions men who have been born, if not actually bred, in the division, then at least within a few miles of it, will be very common.

The three London seats at present held by Labor will, of course, be defended. C. G. Ammon, the member for North Camberwell, will be opposed by Helen Gwynne-Vaughan, the Coalition Unionist candidate, while C. W. Bowerman, at Deptford, and Mr. T. E. Naylor, at Southeast Southwark, will have as their respective opponents Mr. M. J. Pike (C.U.), and Colonel Alexander (C.L.). In each of these three constituencies the fight is likely to be a straight one between Coalition and Labor.

Colonel Alexander belonged originally to Montreal. He was for a while Deputy Assistant-General of the Canadian Forces, and received the C.M.G. He has gained a worthy reputation since the war as a barrister in London, and was recently made a K.C.

Mr. George Langhorne, the Socialist, and former editor of the Labor Socialist Daily Herald, is standing for Bow and Bromley, where Sir Reginald Blair, Independent Conservative, is retiring.

Sir Newton Moore, formerly agent-general for West Australia, who has now many financial interests, some of them connected with Canada, will have a strong opponent in North Kensington in Miss Picton-Turberville, for Labor, and Norman Sargent, as Independent Liberal.

The following may be elected without a contest: Sir H. Moore, C. U. Chelsea; Sir F. Banbury, T. C. of London; E. G. Grenfell, C. U. City of London; Captain Erskine Boist, C. U. South Hackney; Colonel Sir J. Lemnait, I. C. Finchbury Holborn; Sir W. Davison, I. C. South Kensington.

NEWCASTLE CONSULATE WILL BE REOPENED

LONDON, Nov. 1.—Ambassador Harvey, it is learned from an authoritative source, has received a note from the British Government with regard to the case of the United States consulate at Newcastle, closed last summer. According to Great Britain is ready to compromise by withdrawing the charges against the consulate officials of discrimination against their shipping if the United States will reopen the consulate and replace Consul Slater and Vice-Consul Brooks with others.

It is claimed the note also suggests that Great Britain and the United States come to an understanding with regard to the scope which hereafter shall be permitted United States consular officials in drumming up trade for the United States.

The question thus assumes a much broader aspect than the Newcastle consular issue, as that affects a large number of United States consulates throughout the United Kingdom.

Will Select Candidate

HALIFAX, Nov. 1.—The Halifax County Liberal Association will hold a convention November 14 for the purpose of naming a candidate to contest the Halifax Federal seat made vacant by the recent death of Mr. Edward Blackmore, Hon. R. E. Fynn, minister without portfolio in the Nova Scotia Government, is mentioned as a likely Liberal nominee.

Ontario and Quebec

TORONTO, Nov. 1.—Stating that he came from the Province of Quebec "with a message of peace, harmony and friendship," Hon. Rodolphe Meunier, a minister of the late Heighen Government, appealed for a bono entente between Ontario and Quebec.

Suffered From Pimples and Blisters For Fifteen Years

When the blood becomes impure it is only natural that pimples, blotches, boils or some other blood trouble will manifest itself by breaking out of the system.

There is only one way to get rid of these obnoxious skin troubles, and that is by giving the impure blood a thorough cleansing by the use of a good blood purifier such as

Burdock Blood Bitters

This remarkable remedy has been on the market for over forty years; is the best obtainable, and will do all we claim for it as a blood cleanser. Mr. Albert R. De Witte, Lake Valley, Sask., writes: "I have suffered very much from pimples and unsightly blotches for the past fifteen years, and was so bad I hated to go out anywhere. I tried many different medicines, but none seemed to help. A friend told me to use Burdock Blood Bitters. I have used three and a half bottles, and now I have a clear, rosy complexion."

EDITOR OF FIGARO IS DEAD IN PARIS

After Preparing for Career as Engineer, Becomes One of France's French-Journalists

PARIS, Nov. 1.—Alfred Capus, editor of The Figaro, member of the French Academy and one of France's best-known writers on political and literary subjects, died here today. For many years Alfred Capus has been one of the foremost figures in the French literary and journalistic world, his articles on the topics of the day in The Figaro attracting wide attention. He also was known as a dramatist, being the author of several successful plays. He was born on November 25, 1859, and prepared for a career as an engineer, taking a course in the School of Mines. He deserted this field, however, for that of journalism and wrote for various publications before becoming editor of The Figaro. In addition to being a member of the French Academy he was an officer of the Legion of Honor.

Grain Arrival Greater
MONTREAL, Nov. 1.—Announcement is made that nearly 18,000,000 more bushels of grain reached Montreal before the end of October this season than during the same period last year, the total to date being 77,181,380 bushels for 1922, against 60,664,752 bushels for 1921.

The largest fireproof hospital in the world is near Chicago and has 1,344 rooms.

IRON RULE TO RESTORE ITALY

New Premier Out to Place Country on Better Economic Basis, and to Secure Place in International Affairs

ROME, Nov. 1.—Italy will be on the road back to normalcy today after a most exhilarating week that saw the younger generation rise to power and in a great triumph overthrow the elder politicians. Tens of thousands of the vigorous young Fascist and their enthusiastic admirers who accompanied them were on the way back to their homes today. Yesterday they were the thrill of a real Roman triumph in which a million people made the streets ring with plaudits for King and country after Dr. Benito Mussolini and his new Fascist ministry had taken their oaths before the sovereign. As soon as this formal ceremony ended, the black-shirted boys and men who brought about the rise of Mussolini, through the ancient streets of the city, crowded with a vast concourse that for the day doubled the population of Rome.

On the Job Early
Today the flush of triumph gave way to the drab business of toil, individual and national. Dr. Mussolini was on the job early, and he said he was going to see to it that everybody else engaged in the business of the nation followed suit. He made it plain that he was going to rule with an iron hand that Italy might the sooner be restored to a better economic basis and a more powerful place in international affairs.

For the moment, at least, communism has no part in the life of Italy. The onslaught of the Fascist has rendered all radicalism a paralyzing blow. Carrying their battle into the labor temples and the meeting places of their antagonists, the militant nationalists have seized the records and rosters and burned them.

NON-STERILE CATGUT WAS CAUSE OF DEATH

Coroner's Investigation Into Toronto Death More Conclusive Than That on Toronto Surgeon

TORONTO, Nov. 1.—In view of the recent interest in the use of catgut throughout the Dominion of persons from a disease, the symptoms of which were apparently those of tetanus, although no tetanus germ has been found, an investigation was held last night by Coroner Glendonian into the death of Thomas Seymour, which was even more conclusive than that held on October 10, when Norman Allen, prominent Toronto surgeon, who died from tetanus while recovering from an operation.

Manufactured in Winnipeg
The coroner's jury which was absent about half the time in reaching a verdict stated that Seymour came to his death in St. Joseph's Hospital on October 9 as a result of a complication of tetanus and malignant edema, and from the evidence, they were of the opinion that the germ of the latter disease was introduced into his system through the use of non-sterile catgut. Malignant edema, it was pointed out, was a spore-bearing organism equally as deadly as tetanus, though rare.

As in the case of Dr. Allen, the catgut used was manufactured by a Winnipeg firm.

Not Properly Prepared
Dr. Herbert Bruce, one of the most prominent surgeons on the continent and Professor of Surgery at the University of Toronto, was positive after hearing the evidence, that the man had died from the complication, saying that if the catgut was not sterile, it had not been properly prepared.

GERMANY PAYS SHARES TO REPARATIONS BODY
PARIS, Nov. 1.—The reparations commission announced yesterday that on November 4 it will offer by auction, at its offices, 143,991 ordinary shares and 879 other shares of the Lombard Railway, transferred to the commission by the German government under article 249 of the Treaty of Versailles. Only nationals of the Allied countries and the United States will be allowed to make bids.

CANADA'S PORTS WILL BENEFIT

Mr. Kermit Roosevelt, Son of Late U.S. President, Gives Opinion on Daugherty Ruling During Stay in Vancouver

VANCOUVER, Nov. 1.—There is no doubt in my mind that the ruling of Attorney-General Daugherty, which prevents the sale of liquor on American ships, will throw a great deal of business toward Canadian ports. This statement was made this morning in Vancouver by Kermit Roosevelt, son of the famous 26th President of the United States, and himself vice-president of the Kerr Steamship Company.

Bound for Orient
Mr. Roosevelt is in Vancouver to sail on board the Empress of Russia on Thursday for the Orient on a business trip. He declared, however, that the Daugherty ruling had not influenced him in taking passage on a British vessel. The Kerr Steamship Company operates extensive steamship services from New York to all parts of the Orient. It is with a view to extending these operations that Mr. Roosevelt is making his voyage.

The Kerr Line has had under advancement for some time the question of establishing a route to the Pacific Coast from the Orient, he said, and if such a line were established the claims of the port of Vancouver would be given the fullest consideration.

U.S. Shipping Low
At the present time the shipping business in the United States is at an extremely low ebb, Mr. Roosevelt stated. If a question of hanging on, taking losses with a smile, and hanging for the dawn of a new day.

Although he does not greatly resemble his illustrious father, Mr. Roosevelt possesses much of the charm that made "Teddy" such a force in the public life of the United States. When seen by the Canadian Press, Mr. Roosevelt was about to have his first bath after a transatlantic journey. He took the interruption in a most good-natured way and stood chatting in the hall outside his bedroom door for some minutes wrapped in a dressing gown.

PROMOTED MEN HAVE LONG SERVICE RECORDS

Two C.P.R. Officials Given Important Positions Joined Organization as Office Boys

WINNIPEG, Nov. 1.—Mr. W. B. Lanigan, whose appointment as general traffic manager with charge of all rail and ocean, of the Canadian Pacific Railway Company, has been announced, is perhaps the best known freight man in Canada. He has spent more of the public eye than any other man in the industry on many occasions as representing the Canadian Pacific in freight arbitrations, both before the Board of Railway Commissioners and in parliamentary inquiries. Mr. Lanigan was born in Three Rivers, Que., in 1861, and is a graduate of St. Joseph's College at that place. He has been in the service of the Canadian Pacific since 1884, when he began his career as telegraph operator. By 1890 he had become general freight agent in the freight division, with headquarters at Toronto.

In 1901 he was appointed general freight agent of Western lines, with headquarters at Winnipeg, and in 1908 became freight traffic manager of the Western lines. He was appointed freight traffic manager of all lines in 1918. Mr. Lanigan is a brother of the late Mr. George T. Lanigan, the brilliant newspaper man, who, in conjunction with Lord Alton, formed The Montreal Star.

Mr. Edwin N. Todd, newly appointed freight manager of all lines, joined the Canadian Pacific staff in 1896 as a junior clerk in the foreign freight office in this city. With an interval of some months he served there until 1902, when he was transferred to Toronto, returning to Montreal in 1903 as export freight agent. In 1911 he was appointed division freight agent, and in 1915 general freight agent, with headquarters in Montreal. In 1919 he became foreign freight agent, exports and imports.

Started as Office Boy
Mr. William Macpherson Kirkpatrick, appointed general freight agent, is, perhaps, as well known as the result of his war service as far as his long connection with the Canadian Pacific Railway. He joined the C.P.R. in 1892 as an office boy. He was transferred to the freight department at Toronto in 1893 as a clerk. He later returned to Montreal, but in 1903 became general freight agent at Vancouver. In 1905 he was appointed acting export freight agent at Montreal, and in 1907 became general freight agent at St. John, N.B. Again he went to Toronto as general freight agent, and in 1911 assumed the same position in Montreal. The same year he became assistant traffic manager at Montreal.

In 1915 he was commissioned to the 7th Battalion Grenadier Guards, and sent abroad with the Third Contingent. He rose to the rank of major, was awarded the Military Cross for conspicuous gallantry in action, and was gazetted as having made two trips to the front line under very heavy shell fire, and obtained most valuable information. At the end of the war he was appointed assistant freight traffic manager of Western lines at Winnipeg.

DAY LABOR SAVED LIFE AND CITY MONEY

City Engineer Shows How Expenditure Is Well Under Tenders From Outside

Although the cost of building the substructure of the Johnson Street bridge by the city engineering department with day labor has been more than City Engineer F. M. Preston's estimate, the expenditure so far has been \$29,735 lower than the lowest outside tender. City Engineer F. M. Preston announced yesterday.

The cost of doing the work by day labor has been \$44,047 less than the average contract price offered the city when tenders were first called for. The comparison is made between the actual cost of the project so far and the price given for the work at a similar stage of construction by private contractors.

Mr. Preston gave an explanation of the high overtime wages paid to some of the bridge workers. He stated that only union rates were paid, such as would have been paid by private contractors if operating under an agreement to pay union wages.

"We kept some men at work overtime simply because they were skilled men and were familiar with the particular job in hand," said Mr. Preston. "If we had adopted a different

system we would have run serious risk of loss of life. For instance, in the more hazardous stages of construction men who were employed on a certain piece of work during the day were kept on for a few hours after quitting time for the simple reason that it would have been very dangerous to break in new men at that particular point, especially after dark. Besides the element of risk and the possible cost of human life, I am quite sure that our plan has resulted in sounder construction and at less cost than otherwise would have been possible."

TAX COLLECTIONS SAME AS LAST YEAR

Treasurer Estimates Percentage of Payment May Be Slightly Better

Although no attempt has been made to count the returns, City Treasurer E. C. Smith stated yesterday that collections of taxes this year would probably be as satisfactory as last year, if not slightly better.

The percentage of taxes paid last year was slightly over 78 per cent. Tuesday, October 31, was the last day for receiving payments, and the eleven-hour rush imposed a severe strain on the treasury staff.

Payments by mail will continue to arrive at the City Hall during the rest of the week, Mr. Smith expects.

France forbids the publishing of the details of a divorce case.

LAMBRINOS OWNS UP TO FORGERIES

ONE OF TWO ACCUSED GREEKS
NOW PLEADS GUILTY

Antipas Still Maintains Innocence of Bank Fraud Charges, and Will Be Tried This Morning

George J. Rigas, alias Lambrinos, a Greek candy maker of this city, who had previously pleaded not guilty to five different charges of defrauding many Victoria banks, by means of forged drafts, abandoned his fight yesterday, when he came before Magistrate Jay on remand, and pleaded guilty to all the charges.

Jerry Antipas, the Cumberland candy store proprietor, who drove Lambrinos by motor from Cumberland to Victoria, last Friday, and is also held on the same charge, still maintained his plea of not guilty. Mr. Frank Higgins, K.C., counsel for the accused man, announced, however, that Antipas desired to withdraw his previous decision for trial in a higher court, and would consent to summary trial in the police court.

Following a discussion between City Prosecutor Harrison and Mr. Higgins, as to the possibilities of proceeding to an early trial, Mr. Higgins said that, if it would facilitate an early disposition of the case, he was prepared to admit that the bank drafts uttered by Lambrinos were forgeries. Harrison estimated that that would greatly simplify the task of the prosecution, and might obviate what had seemed to be the necessity for bringing witnesses from California.

On this understanding, Magistrate Jay remanded the accused until this morning, when Antipas will come to trial; while Lambrinos will be sentenced for the crimes to which he has pleaded guilty. Mr. Higgins was assured by the court that he would be given every facility in the matter of calling Lambrinos as a witness in defence of Antipas.

The five charges against the men, as read to them by the magistrate, alleged that they uttered forged drafts, purporting to be made by the Commercial National Bank, of Vallejo, California, upon the Hawaiian National Bank, of New York. The place alleged was last Friday, and the place, this city. The charge specifies banks and sums of money, as follows:

From the Bank of Toronto, \$250; Dominion Bank, \$109.57; Royal Bank of Canada, \$200.95; Canadian Bank of Commerce, \$359.40; Union Bank of Canada, \$112.

To each of the five charges in turn Lambrinos pleaded guilty, and Antipas pleaded not guilty. It is probable that the new turn of events by the breakdown of Lambrinos will greatly shorten the trial proceedings today.

The first paper money in the United States was issued in 1890.

ORPHANAGE LOSES GENEROUS FRIEND

MRS. McTAVISH, WHO DIED YESTERDAY, ARDENT WORKER

Daughter of Late Dr. J. S. Helmecken, She Spent Her Life in Generous Acts

Another very close link with the real beginning of Victoria's history was severed yesterday with the death of Mrs. Catherine Amelia McTavish, who passed away at six o'clock in the evening at the family home, 912 Heywood Avenue. Her death ended a long illness of nearly a year's duration, and was not unexpected, all five children being gathered round the mother's bedside at the end.

The late Mrs. McTavish was the eldest daughter of the late Hon. J. S. Helmecken, M.D., who, as the Comptroller of the Customs, was in the Hudson's Bay Company's fort. She was born in Victoria in 1855, and spent her whole life in the city. She married Mr. Arthur McTavish here, and their five children and five grandchildren survive here.

As the family has identified itself with the history of Vancouver Island, so did Mrs. McTavish identify herself with the history of the city. She was the first president of the Women's Auxiliary of the Jubilee Hospital, had been a consistent and faithful worker for the various activities of the Reformed Episcopal Church, of the Ladies' Aid of which she had been president for six years; she was connected for many years with the committee of the Old Ladies' Home, and was president of the Protestant Orphanage ladies' committee. This, in fact, was her chief interest, and practically the last time she crossed the threshold of her home was two or three months ago, when she rallied her failing strength and made a visit to the Orphanage, the welfare of which lay very near her heart. Through all her long illness she kept herself well posted on all matters pertaining to the institution and the little inmates. Her kindly presence and sympathetic interest will be sorely missed at the home, to which she gave so generously of her time and thought.

The five children, all living in Victoria, are John A., Mrs. D. C. Hughes, Duncan C., Claude, and Mrs. Edith Heddie. Mrs. E. L. Higgins, a sister, also survives her.

The funeral services will be held on Saturday, at midday, at the family home, Heywood Avenue, the remains to be sent to Vancouver by the afternoon boat for cremation.

JITNEY DRIVER FINED

Magistrate Upholds Former Decision Against Spanish Veterans Operating Without Licence

Lionel Boday, returned soldier jitney driver, was fined \$25 by Magistrate Jay in the Spanish Police Court yesterday, on each of two counts of driving an unlicensed vehicle for hire on Jasper and Shelbourne Avenues.

The case was the final one of the series which the magistrate has recently recorded convictions for under the new municipal by-law, which has created so much discussion, not only in the Council, but in the district generally. The case against Boday was remanded for judgment two weeks ago, when charges against the other defendants were disposed of; the court taking time to consider the defence that Boday's case was of a different complexion from the others, in that the jitney route operated by him had not been expressly limited to a definite number of vehicles by the Council.

Magistrate Jay held that there must be a conviction in all the cases. He had already held that the by-law was valid; and it was clear that the defendant had not been granted the jitney licence required by the by-law. A fine of \$25 would be imposed in each case.

Mr. F. C. Elliott, who is handling the defence of all the jitney men recently convicted, contended that the by-law, intimating that the fine would be paid under protest, and that the conviction would be appealed. Mr. Elliott intimated that a test case would be taken before Judge Lampman in the County Court on the earliest date available.

LIEUT. GOVERNOR OF QUEBEC MAY TAKE WASHINGTON POST

TORONTO, Nov. 1.—A special dispatch to The Toronto Star from Ottawa says:

"If the appointment of Sir Charles Fitzpatrick, Lieutenant-Governor of Quebec, as the first Canadian Minister at Washington has not yet been officially announced there is good ground for the belief it has been made, and will soon be announced to the public."

Premier's Statement

OTTAWA, Nov. 1.—If the appointment has been made, I have heard nothing of it, and know nothing of it," declared Premier King today when he was asked about the reported appointment of Sir Charles Fitzpatrick as Canadian Minister at Washington.

QUEBEC, Nov. 1.—No confirmation can be obtained here in official circles of the report that Sir Charles Fitzpatrick is to become Canadian representative of Canada in Washington. Sir Charles Fitzpatrick has not denied any of the reports.

Brown's comet, seen in 1846, returned at intervals till 1890, when it failed to appear.

Why Corns?
Just say **Blue-jay** to your druggist

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in a colorless clear liquid (one drop does it) and in thin plasters. The action is the same.

Pain Stops Instantly

P.G.E. AGAIN COMES IN FOR ATTENTION

MEMBERS IN HOUSE EXPRESS
DESIRE TO FINISH ROAD

Criticism Are Levelled by Mr. Estling Against Way in Which Work Has Been Carried Out

With the vote on the amendment of Canon Hinchliffe out of the way in the Legislature yesterday afternoon, the debate on the speech in reply to that from the Throne was continued during the remainder of the afternoon and again last evening.

Advocacy of the completion of the Pacific Great Eastern Railway to Fort George and also the link between Squamish and Whistler was made by Mr. George Hanes, Independent member for North Vancouver, who also declared that the time had arrived for a start to be made on the University of British Columbia at Point Grey. It was too late, thought Mr. Hanes, to think about another site for a university.

Mr. Hanes asked the Government what they intended to do with the Pacific Great Eastern Railway. He, for one, did not altogether agree with the reports of the engineers submitted this Fall.

The people of British Columbia in 1912 were most unanimous in the building of the Government-owned road to the north country, and before and question of abandonment was now being asked their opinion. He was in favor of completing the stretch between the Cottonwood Canyon and Fort George, and also the link between Squamish and Whistler, a distance of 27 miles, which would probably take up \$100,000 a mile. In this way the P.G.E., instead of starting nowhere and ending nowhere, as reported in a speech by the Premier, would be properly tried out as a common carrier.

Mr. Hanes declared against abandoning the stretch between Squamish and Clinton, claiming that there was enough timber in the district to allow the railways to have a half-million feet of lumber a day for years, and that the addition of two additional logging trains would be in hand some returns. Any other course would be unprofitable and not in the best interests of the Province, concluded Mr. Hanes.

Investigation Wanted

The Northern Construction Company has looked the treasury of British Columbia of hundreds of thousands of dollars through the lack of a business arrangement on the P.G.E. contract," charged W. K. Estling, member for Roseland. "I challenge the Government to investigate that through its new Minister of Railways. The Premier would not do so because he would not know where to begin, and the Northern Construction Company would not invite an investigation because it would not dare to do so," continued the speaker.

The member for Roseland also placed himself on record as heartily opposed to abandonment of the railway.

"If the Government would put some of its time and energy into colonizing the country along the P.G.E. route that it has put into the Southern Okanagan scheme it would soon have the traffic necessary to make this line a flourishing asset to the Province," he said. "Abandonment of the investment of \$40,000,000 is a tall order."

Finds Fault With Reports

Mr. Estling criticised the Sullivan, Dennis and Hinton reports, stating that they contradicted each other. Mr. Sullivan, for instance, urged raising the freight rates, while Mr. Hinton said they were now as high as the traffic would bear. Mr. Dennis, he said, depreciated the natural resources which previous reports of P.G.E. officials stated were adequate to develop enough traffic to allow the line to pay a profit. He stated that the Government had in its employ officials much more competent to discuss the natural resources of the Province than Mr. Dennis.

Among the criticisms which Mr. Estling levelled at the Government's handling of the P.G.E. were the following: That the line had cost \$100,000 a mile, although the Kettle Valley line, built through an equally difficult country, had cost only \$42,000 a mile; that the Government had bought supplies from the Northern Construction Company at double the market price; that the 40 per cent increase in the unit price to the Northern Construction Company, authorized by the railways department engineer, had cost the Province \$800,000, even though the Northern Construction Company had made only \$15,000 additional on its commission; that the Northern Construction Company was not a good contract with a bonus clause, as there was no estimate on which a bonus could be based; that Mr. Sullivan had been given incomplete information by the Premier on which to base some of his findings as was evidenced by the content of his report; that the change in route at Quenel directed by the Premier was not justified, according to the Sullivan report.

Premier Acquiesced

Premier Oliver interrupted to say that this was one portion of the report that he did not agree with.

Mr. Estling devoted a little attention to Mrs. Mary Ellen Smith, the senior member for Vancouver City, in his opening remarks. He said that the lady member had volunteered from the Government last session, stating that she was being held responsible for acts of the Government on which she had not been consulted and was deprived of the right to criticize. But, he said, within a few weeks she was taking part in by-elections, pleading for endorsement of that Government.

"There is nothing like coming out if there is still enough oats in the miller's hand."

The only conclusion he could come to, he said, was that the lady member had felt she did not wish to be associated in public life with the late Attorney-General.

CAR OVERTURNS AND SKULLS FRACTURED

Three Victims of Accident on Quadra Street Lying in Hospital in Serious Condition

Clarence Burr, resident at the corner of Glasgow and Fisheaven Streets, and Misses Laura Cummins and Thelma Miller, resident nurses at the Jubilee Hospital, are lying in the Jubilee Hospital with fractured skulls as the result of a motor car in which they were riding overturning on Quadra Street shortly after eleven o'clock on Tuesday night. The passengers were doing as well as could be expected last evening, but their condition is serious.

The car, owned by William Jackson, Chapman Street, from whom it had been rented, was being driven by Mr. Burr along Quadra toward the city. It was coming down the grade near the Cloverdale School when it turned turtle, and the occupants were precipitated to the pavement. An ambulance took the three victims to the hospital.

REQUEST FOR USE OF HALL HOTLY REFUSED

Council Informs Taxpayers' Protective Association It Cannot Have City Hall Auditorium for Meeting

A request from the Taxpayers' Protective Association for the use of the City Council Chamber next Wednesday for the purpose of holding a public meeting will be emphatically refused today, Mayor William Marchant and a majority of the aldermen decided yesterday.

"So far as I am concerned, these people can hire a hall if they want to hold a meeting," said the Mayor. "I am not telling them so, however, until I have seen the members of the Council and ascertained their individual opinions."

Yesterday afternoon the Mayor got in touch with six aldermen, a majority of the Council, and every one of them was opposed to letting the association use the Council Chamber or any other room in the City Hall.

The Taxpayers' Protective Association, which is temporarily headed by Mr. Frank Higgins, K.C., with Mr. George A. Morphy as secretary, is the organization which took the initiative in prosecuting the Mayor and members of the Finance Committee regarding the Stansland cheque.

"This association seems to exist for no purpose other than to discredit the city," declared one of the Council leaders yesterday. "Some of these people are birds of ill omen, and they are fouling their own nest. We don't want them here fouling the City Hall."

Which Is the Best Phonograph?

KENT'S PHONOGRAPH STORE
1004 Gov't St. Phone 3449

Decide this question, "Is your record?" The first scientific comparison of phonographs has been installed in our store. We are showing it in its own right, and in its own facts about phonographs that shopping, wherever in a year. You may not want to purchase—but come in anyway. Decide for yourself which is the best phonograph.

What Science has to say about your night's rest

Man was created to stand upright. So people got the impression that he lies out flat in sleep. Far indeed from the truth. The human body is a thing of curves. Of weight very unevenly distributed.

Simmons alone, among makers of sleeping equipment, seems to have taken full account of these elementary facts.

So you hear people everywhere distinguishing Simmons Bed Springs as the bed springs built for sleep.

You find the Simmons Spring supporting the body, where the old-type spring let the sleeper down into a hollow.

A Simmons Spring is taut and firm—and with that elasticity that only Simmons knows how to put into a spring. Because by the practical application of science—Simmons has discovered how to build a spring that is always level, while still conforming to the curves and weight of the body in every sleeping position.

Be sure to see the Simmons Label on Bed, Spring and Mattress before you buy

The Simmons Label is your assurance of sleeping equipment built for sleep. All genuine Simmons Beds, Springs and Mattresses have it. No others have.

Simmons Springs—Built for Sleep \$5.50 to \$50.00
Simmons Beds—Built for Sleep \$8.00 to \$75.00
Simmons Mattresses—Built for Sleep \$10.00 to \$60.00

SIMMONS BEDS

City & District

Ladies' Guild—The Ladies' Guild for Bakers will hold its usual business meeting at the Connaught Seamen's Institute today at 2:45.

Jubilee W.A.—The regular sewing meeting of the Jubilee Hospital Women's Auxiliary will be held this afternoon at 2:30 at the Nurses' Home.

Raspberries Still—The Colonist yesterday received a few sprays of raspberry plant bearing ripe raspberries grown by J. Waugh, 2430 Shelbourne Street.

Giving Pupils' Recital—Miss Clara Powell is giving a pupils' recital at the Victoria Club Hall, Campbell Building, on Saturday evening, when Mrs. Huntley Green and Mrs. Gideon Hicks will present certificates. Admission will be by invitation.

To Stand Again—Councillor Robert Macdonald has no intention of entering the field for the public health committee this year, but will stand again as councillor candidate, he announced last night.

Ward Four Conservatives—The regular meeting of the Liberal-Conservative Executive of Ward Four will be held in the rooms, Campbell Building, tonight, Thursday, at 8 o'clock.

Liberal Women's Forum—The Liberal Women's Forum will hold its regular meeting tomorrow afternoon at 3 o'clock. The history of "Party System and Liberalism" will be continued. The speaker will be Mr. T. W. Cornett. All ladies are welcome.

Making Plans for Bazaar—The ladies of Court Maple Leaf, A.O.F., are meeting tonight at Mrs. Feenly, 1784 Denman Street, for the purpose of sewing and making further plans for the bazaar they are holding the last Wednesday in November.

Winter Plans—There will be a meeting of the Island Arts and Crafts Society committee tonight in the rooms of the society for the purpose of completing arrangements for the work of the organization for the winter months.

Boys' Brigade L.A.—The Ladies' Auxiliary to the Boys' Naval Brigade is meeting tonight in the Foresters' Hall, Broad Street, at 7:30. Parents and friends are invited as business of importance and plans for the coming bazaar, which they are holding in December, will be discussed.

Building of Aquilana—An illustrated lantern lecture on the making of a mammoth line will be given at the Old Drill Hall at 8 p.m. This lecture demonstrates the building of the Aquilana from the laying down to completion and is given under the auspices of the Navy League of Canada. The public are invited to attend.

Need a Typewriter—The Tuberculosis Veterans' Association, in need of a small typewriter. The secretary has found the correspondence beyond the pen and funds are too low to allow the association to buy one. Assistance in this donation will be very much appreciated. All particulars can be obtained by phoning 23317.

Canadian Authors' Association—The regular monthly meeting of the Victoria and Islands branch is postponed from Monday, November 6 (Thanksgiving Day), to Monday, November 13, and will take place that evening at the Victoria Club, Campbell Building, from 8 to 10 o'clock. An interesting programme has been arranged, and will include a reading by Mrs. R. P. Bishop and Major L. Bullock-Webster.

Appointed Managing Director—Mr. James M. Wood, one of Victoria's prominent automobile men, yesterday assumed charge of the Beggs Motor Company, View and Fort Streets, as managing director. Mr. Wood has been in the automobile business here since 1904, and for a long time was connected with the Woods Motor Company, Limited. Mr. Wood has acquired an interest in the Victoria Branch of the Beggs Motor Company.

The Ladies' Aid—Regular Methodist Church Bazaar Sale. Kent's Hall, Constance and Bequith Road, Thursday, Nov. 2, 2 to 4 p.m.

A Social Dances Class for adults will be opened by Mrs. Simpson in the Connaught Seamen's Institute, James Bay, Thursday, November 2, 8 o'clock.

Rummage Sale—Christ Church Cathedral Schoolroom, November 3, for New Building Fund. Articles gratefully received. Phone 1533 or 52297.

Superior Sale—Permanently Destroyed. Moly Bureaucratically Remedy—scientific, antiseptic, safe; absolute cure guaranteed; 15 years' practical experience. Miss Hanuman (certified London specialist). 23 Winch Building.

Two Buses Necessary—Owing to the number of people who are going from Victoria to the Boys' Work Conference at Duncan, which commences tomorrow night, it will be necessary to utilize two motor buses in transporting them. The first bus will leave the Y.M.C.A. building at four o'clock on Friday afternoon, while the second will depart an hour later. Those who can go on the first vehicle are asked to so inform Mr. Harold Cross, of the Y.M.C.A.

High School Concert—The Victoria High School Parent-Teachers' Association is giving a concert on Friday evening in the High School auditorium at 8 o'clock. The proceeds from which will go to the fund for providing the High School with a library. The Victoria Juvenile Pipe and Drum Band, under Pipe-Major Wallace, will play from 7:45 to 8 o'clock. Parents and friends are asked to obtain tickets from any of the pupils, or at the door on the evening of the concert.

11th C.M.G. Brigade—No. 1 Co., 11th C.M.G. Brigade, will parade at the new Drill Hall tonight at 7:30. The dress will be drill order. The programme of training will be as follows: 7:30 to 8:15, miniature rifle shooting; 8:15 to 8:50, musketry; 8:50 to 9:15, machine gun training; 9:15 to 9:40, swimming bath. A full attendance is particularly requested at this and subsequent drills, as the drill season is getting short, there being only just sufficient time for the unit to regain its efficiency.

Camouso Chapter—Plans in connection with the I.O.D.E. bridge party were made yesterday afternoon at a meeting of Camouso Chapter, I.O.D.E. Mrs. Miles and Mrs. Hopkins were present. A standing vote of sympathy was passed to Miss Agnew, one of the Chapter's most faithful workers, in her recent bereavement. The picture of Jack Cornwall will be presented on Armistice Day to the High School. Mrs. Hopkins, Mrs. Berks and Miss Taylor will undertake the sale of poppies on Armistice Day.

To Cement Bantams—A meeting will be held at the Empress Hotel on Saturday evening at eight o'clock for the purpose of forming a local group of the Franco-Canada Society, the object of which is the perpetuation of the entire cordials between Canada and France. The Hon. Mr. Justice Gregory will preside, and it is hoped that all who are interested in the movement will attend without further notice, as the decision to hold the meeting was made hurriedly that there was no time to send out invitations.

Postoffice Holiday—Monday will be observed in the city postoffice as a holiday in the mail service. Letter carrier deliveries will be suspended for the day. Money order tickets will be closed all day. Registration and general delivery tickets will be open from 8 a.m. till 10 a.m., and postage stamps will be sold during these hours. The evening street letter box collections only will be made. Owing to the suspension of letter carrier deliveries on Monday, on Saturday afternoon of this week the letter carriers will make a delivery, and the money order department will be open as on regular week days.

Uncertain Fire Limits—Robert Heatherington was fined \$10 by Magistrate Jay yesterday for repairing a roof with the city fire limits, said repairs not being made with combustible materials. The defendant said he had reason to think that the location of the job, 2523 Government Street, was just outside the fire limits, and since he was summoned he had ascertained from Building Inspector James Barf that the opposite side of the street was outside those limits. Mr. Barf explained to the court that there was a fog in the fire limits plan at that place, which would explain the defendant's mistake. The magistrate said he had no doubt there had been a bona fide mistake; but there had been an infraction of the by-law, and he must impose a penalty.

FARMERS' ADVISORY BOARD
Resolution Passed Against Oriental Immigration Into Province

At a meeting of the Advisory Board of the British Columbia Farmers' Institute, held yesterday, a resolution was carried endorsing the stand taken by Hon. William Slegin in his resolution before the Legislature against Oriental immigration into the Province. The raising of the exemption for personal property tax purposes to \$3,000 was endorsed.

The delegates in attendance are C. E. Whitney—Griffiths, Vancouver Island; J. H. Young, Terrace; G. H. Outram, Vanderhoof; William Harrison, Pritchard; James Bulley, Hardie; O. B. Appleton, Pritchard; L. E. Taylor, Kelowna; A. Taylor, Wilmer.

ASKS CANADIANS TO HONOR DEAD

Message of King George to Governor-General Byng Requests Two Minutes' Silent Tribute Armistice Day

OTTAWA, Nov. 1.—Governor-General Byng has received a message from King George expressing the hope that the two minutes of silence in memory of those who gave their lives during the war, will be observed throughout Canada on Armistice Day, November 11, commencing at 11 o'clock in the morning. In a communication to Premier King, the Governor-General hopes that the people of Canada will join with His Majesty in making the observance a reality.

Two minutes of silence is endorsed by the Premier in a statement issued to the Canadian Press tonight. The Government invites the co-operation of Provincial and municipal authorities, the press and the educational and religious institutions, as well as of all engaged in industrial and commercial activities. "May it be said of Canada that no locality of our vast Dominion was so remote as to have failed in doing reverence to the memory of our country's honored dead," the Premier's message says.

Suspend Work
The communication from Lord Byng to the Prime Minister, says: "I sincerely hope that all citizens of the Dominion will join with His Majesty the King in making this observance a reality, and that all work will be suspended during the two minutes set apart for the silent tribute. You will, I am sure, be glad to give widest publicity to this request of His Majesty."

OBSERVE DEATH OF CORK'S LORD MAYOR BY FASTING SPELL

DUBLIN, Nov. 1.—Frank Gallagher, editor of the official organ of the Gaelic League, has been arrested and lodged in Mount Joy prison. He was formerly editor of the Irish Bulletin. The Republican prisoners in Mount Joy observed the second anniversary of the death of Terence MacSwiney, late Lord Mayor of Cork, by 24 hours fasting.

The irregular claim that in the week ending October 14 they made twelve attacks upon Government forces "resulting in thirty-two enemy casualties."

THE WEATHER

Metropolitan Office, Victoria, B.C., at 9 p.m., November 1, 1922.
The barometer is falling over Northern British Columbia, and fair weather may be seen, but colder weather may prevail on the Prairies.

Playhouse Presents Clever Potted
Opera and Humorous One-Act
Play by Reginald Hincks

With the success which has become
habitual to the Playhouse, Mr. Reg-
inald N. Hincks presented last night
Number Seven Show to an enthu-
siastic and appreciative audience. The
programme is divided into two parts,
the first containing the opening
chorus, with the company, and the
inimitable Bob Webb in his rendering
of "Women Get the Best of It," fol-
lowed by two songs by Miss Marie
McLaughlin, "Moon of the Cherry
Garden" and "It Is Only a Tiny
Garden." Next comes Mr. R. N.
Hincks' own ludicrously humorous
sketch, "A Shot in the Dark," with a
fine cast, including Mr. T. J. Good-
lake, Mr. D. Dumbarton, Miss Agnes
Stuart Robertson and Miss Vivian
Combe. All the actors enter into the
fun of the performance, and the
sketch is bright and witty.
To present an hour and a half's
really good amusement with never
a boring minute is a difficult task,
but it was carried out most suc-
cessfully last night with the potted opera,
"The Wizard of the Nile." The music
is taken from the opera, and the
words and bring in local prevailing con-
ditions in humorous vein, must
surely have flowed from the pen of
Mr. R. N. Hincks. The audience
likes the lines, made thoroughly
evident by their applause, frequently
interrupting the actors, who have to
wait until mirth and appreciation
subside in the house.
Not only is the dialogue, and com-
edy entertaining, but there are also

Theodore Roberts and George Fawcett in a Scene From "The Old Home-
stead," Which Comes to the Dominion Theatre All Next Week.

seventeen songs and dances which
augment the delight of "The Wizard
of the Nile." Miss Eva Hart's sing-
ing throughout the two acts is out-
standing in its charm. Her solos, "I
Have Been a-Maying" and "Dream-
land" are especially appealing, and in
the duet with Ernie Fitch, "What Is
Love," the singers are heartily en-
cored. Ernie Fitch takes the part
of the Wizard, and in that role has
created another character which will
long be associated with the Play-
house. Bob Webb is seen as the
King of Egypt, and Gipsy Switzer is
the Queen. Other characters are por-
trayed by Dorothy Minter, Marie Mc-
Laughlin, Agnes Stuart-Robertson,
Dave Dumbarton, Jack Gillon and R.
N. Hincks. Mrs. Clifford Wain played
the accompaniment, and Mrs. Behl
gave a charming solo between the
acts of the play.

The scenery of "The Wizard of the
Nile" is in itself well worth a
visit to the popular theatre. Mr.
Stewart Clark has surpassed himself
in his direction of the painting of
the Egyptian surroundings, which
lend a picturesque setting to the
scene and will prove a source of un-
told delight to the acute observer in
his careful perusal of the characters
who give more than a hint of present
day notabilities masquerading in the
garb of the Egyptians. The per-
formance will be repeated tonight
for the balance of the week.

ROYAL An all-star cast, includ-
ing many of the Mack
Sennett favorites, is in-
terpreting "The Crossroads of New
York," the special Sennett comedy-
melodrama at the Royal Victoria
Theatre this week. The list of play-
ers includes: Eddie Gribbon, Billie
Bevan, Charles Murray, Dot Farley
and Mildred June, all popular artists
in Sennett short comedies. In ad-
dition the cast lists such eminent
screen artists as Kathryn McGuire,
George O'Hare, Herbert Standing,
Noah Berry and Ethel Grey Terry.
"The Crossroads of New York" marks
Mr. Sennett's second endeavor this

Lady."
Royal Victoria—"The Crossroads
of New York."
The Stage
Playhouse—"The Wizard of the
Nile." Curtain 8:30, every night.
Matinee, Saturday, 2:30.

year in the comedy drama field of
films. Several years ago he won
widespread fame with his production
of "Mickey," but after that left the
serious side of films alone until last
Fall, when he made "Molly-O," which
attained even greater success than
"Mickey." His present picture is a
blend of the comedy and drama that
distinguished both its predecessors,
depicting the adventures of a country
boy who comes to the city to make
good, and becomes involved in the
financial game of Wall Street.

COLUMBIA "Shame," the William
Theatre Fox special, which is
showing at the Co-
lumbia Theatre today, must be
ranked with the best in screen
offerings. It is a fascinating and
enthralling tale, and scenically the
picture is beautiful. It is one of
those impressive photodramas that
stand out from the general run and
help establish new standards of ex-
cellence in the foremost field of en-
tertainment. The production adds to
the fame of Emmett J. Flynn, the
young director who made the Fox
special, "A Connecticut Yankee in
King Arthur's Court," and it has
served to lift to stardom John Gilbert,

panies, is fully up to the standard of
the graded city school.
The production of "Everygirl" has
been made upon an elaborate scale,
now so much in vogue. The per-
formance is divided into two acts and
eighteen episodes, each episode staged
in an individual setting. "Everygirl"
will be the attraction at the Royal
Victoria for three days, commencing
on Monday, November 6, with Thank-
sgiving matinee.

HISTORY RECREATED IN FILM COMING TO CAPITOL NEXT WEEK

They turn things topsy-turvy, these
photoplay makers. They make now
in Summertime and rain on a desert.
And now they're even recreating
history. A lot of logs fixed together
out in the country, a flowing stream,
a colonial governor, two clergymen,
six stern members of a colonial coun-
cil, eight elderly men, eighty women,
150 settlers, a few tomahawks, half
a dozen bottles of prep "blood"—and
presto—the historical attack upon
and defence of Jamestown, Va., in
1619, found its way to an eventual re-
production on the screens of America.
Jamestown of colonial days is said
to be one of the most interesting fea-
tures of "To Have and To Hold," a
George Fitzmaurice production for
Paramount, featuring Betty Compton

and Bert Lytell, and with Theodore
Knotoff and W. J. Ferguson in strong
roles, which comes to the Capitol
Theatre next week. Ouida Margere
made the screen adaptation from the
Matty Johnston romantic novel, which
carries an absorbing story from the
profligate court of King James I of
England through the hardships of
the Virginia colonies to dramatic
scenes aboard a pirate craft, and a
final denouement in the same court
from whence started the characters
thus caught in a whirlpool of adven-
ture.

TWO WERE SUSPECTED AS PAYROLL BANDITS

TACOMA, Nov. 1.—Two men,
suspected of the recent \$75,000 city
payroll robbery at Vancouver, B.C.,
are being held in jail here for Brit-
ish Columbia officials. They are J.
B. Jones, 47, and J. F. Hicks, 37. The
descriptions of the men are said to
tally with those of the bandits, al-
though the Canadian authorities asked
that the men be held. Rewards totalling
\$15,000 are said to have been offered
for the three highwaymen who ob-
tained the payroll and fled in an
automobile.

men wanted. The local department
was notified last night by the Ta-
coma police that two men were in
custody there on suspicion that they
were connected with the robbery.
They were said to have in their pos-
session when arrested a large amount
of Canadian money. Later, however,
after news had been exchanged
between the police of the two cities
it was settled definitely that the men
were in no way connected with the
heist.

Social & Personal

Miss Lita Rose, of Victoria, is the guest of Miss Mildred Rhodes, of Vancouver.

Miss Olive Scaplen entertained at a small dance last evening at her home on Sutley Street.

Lady Barnard entertained at tea yesterday afternoon in honor of her niece, Miss Eva Loewen, of Vancouver.

Mr. and Mrs. T. H. Donnelly, of Vancouver, have as their guests Rev. W. Elliott and Mrs. Elliott, of this city.

Miss Ethel Rhodes spent the weekend visiting her mother, Mrs. C. W. Rhodes, 1914 Terrace Avenue, but returned to Vancouver on Tuesday.

The weekly whist drive given by the Ladies' Guild of the Esquimalt Sailors' Club will be held at the club assembly hall this evening at 8 o'clock.

The Ladies' Aid Society of First Presbyterian Church is being congratulated upon the fact that it has again this year reduced the church mortgage debt to the extent of \$1,000.

Mr. and Mrs. Robert Erskine, of Prince Rupert, are in town on a visit. Mr. Erskine was formerly in the local office of the Department of Agriculture, but some few years ago was moved to the northern office.

Master Clifford Bate, young son of Mrs. J. H. Bate, celebrated his fourth birthday yesterday with a Halloween party. Nine little guests sat down to a prettily decorated table, covered with favors and centered with the birthday cake lighted by four candles.

Mrs. E. M. Cuppige is leaving today for Calgary, to attend the conference of Alberta, Saskatchewan and British Columbia Press Women next Saturday. Mrs. Cuppige will represent the Vancouver branch of the Canadian Women's Press Club, of which she is vice-president.

Mrs. Will Spencer, Southgate Street, entertained at a bright little tea party for Miss Molly Rayer, of Vancouver, who is Miss Monica Davies' house guest. Miss Monica Davies presided over the dainty table. Amongst those present were Mrs. Charlie Brown, Miss Gertrude Day, Miss Molly Rayer (Vancouver), Miss Helen McNaughton, Mrs. Brooke Hutchinson, Miss Zonia Cutler, Miss Flora McNeill, Mrs. Clara, Mrs. Russell Henshall, Miss Ella Simpson, Miss Monica Davies, Miss O'Donnell and others.

Mr. F. Nation and his daughter, Miss Helen Nation, entertained at dinner last evening at the Union Club in honor of Mrs. Humble-Birkett and Miss David Ker, followed by bridge. The guests were Sir Frank and Lady Bernard, Senator and Mrs. G. H. Barnard, Mrs. Humble-Birkett, Mr. and Mrs. Roger Montelhi, Mrs. D. R. Ker, Miss David Ker, Miss Eva Loewen, Major and Mrs. A. B. Butler, Mr. Colonel and Mrs. Homer-Dixon, Mr. J. P. Babcock, Mr. Carew Martin, Mr. Harry Crane and Mr. Steadman.

Miss Mildred and Alice Bell, of Wellington Avenue, entertained on Tuesday at a delightful Halloween party at their residence. Games, dancing and fortune telling formed the main features of the evening's entertainment, and Miss O'Brien proved a most efficient fortune teller. Among those present were the Misses O'Brien, Margaret and Elaine Adams, Margaret Schell, Justin McKenna, Milton Umbach, Dorothy Gaskin, Margaret Carlier, Rose MacDonald, Alice Bouch, Catherine MacDonnell and Agnes Broekman.

A fancy dress party was held at the home of Miss P. Lyal Scott, 1229 George Street, on Tuesday evening. The rooms were artistically decorated for the occasion with Halloween colors, which, together with the fancy costumes, gave a pleasing appearance. The early part of the evening was devoted to music, cards and games, and later supper was served. Among the guests present were Mrs. and Mrs. Archie Baker, Mr. and Mrs. George Hoskins, the Misses Lily Fox, May Fox, Thelma Caven, M. Douglas, and Joseph, L. A. Bouchard, Mr. and Mrs. Woodie, J. Stewart and J. E. Locke.

ST. GEORGE'S SOCIETY

Sale of Work and Social Yesterday. Netted Over Fifty-Three Dollars For Special Fund.

Mrs. Leach, 1139 Hilda Street, threw open her home yesterday for a sale of work and social in aid of St. George's Society, with the result that something over \$53 was collected for a fund which has been started for an special object. The members gave good support to the undertaking.

Home cooking, in charge of Mrs. G. H. Thorne, was much in demand. Candles were rapidly sold by Miss Thorne, and afternoon tea was highly popular, those in charge being Mrs. Maxwell, Mrs. Northam and Mrs. Ashton. Mrs. Williamson had charge of a table of sports. In the afternoon Miss Clara Powell brought some of her pupils to help on the short programme; Miss Marshall gave some pianoforte pieces; Mrs. Iwini sang; and a pupil of Miss Moore played.

The evening programme included whist, musical programme and refreshments, those taking part in the programme being Mrs. de Gruy and Mrs. Moore, vocal; Mr. J. Bryant and Mr. M. Moore, vocal solo; and Mr. Deaville, pianoforte selections. The whist prizes went to Miss Hurley and Mrs. Williamson. Mrs. Hartley and Mr. Brown; the consolation prizes being awarded to Mrs. Parsons and Mr. J. Bryant. A hearty vote of thanks to Mrs. Leach, who had lent her home and gone to much trouble in arranging the day's programme, concluded the delightful affair.

POINT ALBERT

Mrs. Stevenson, of Victoria, who has been a guest of Mr. and Mrs. Brimacombe, left for home on Saturday's train.

Mrs. Coste and Mrs. L. B. Blair, of Vancouver, are guests of Mr. O. Matson for the next few weeks.

Mrs. R. J. Burde and her daughter, Margaret, left by Tuesday's train for a visit to Montreal, where Mrs. Burde will make a stay of a few weeks visiting relatives.

Mr. Harold Cottar, of Meares, Price, Waterhouse & Company, Victoria, who had been spending his holidays with Mr. B. B. Garrard at the latter's home here, returned to Victoria on Saturday.

CUMBERLAND

Mr. Thomas Graham returned on Saturday from Victoria.

Mr. J. A. Fourie left on Wednesday on a business visit to Vancouver.

Mr. Harraven, of Nanaimo, a former resident here, paid a business visit to town on Tuesday.

Mr. Bell, of Victoria Great West Insurance Co., arrived in town on Monday.

Mr. J. R. Hicks, of Victoria, left for his home on Monday, after spending several days in town.

Mr. and Mrs. Kerr and son, of Lethbridge, are visiting Mr. and Mrs. Thomas Graham.

BURNS SOCIETY IS FORMED HERE

ENTHUSIASM MARKS INAUGURATION OF CLUB

Organization Discussed Removal of Burns' Monument From Beacon Hill to Some Inside Location

An enthusiastic little meeting was held in the Arts and Crafts Society rooms last evening for the purpose of forming a Burns' Society, and the coming months should see some interesting programmes devoted to the study of Scotland's national bard and lesser lights among the Scottish poets.

Officers elected were: President, Mr. Hester; vice-president, Mrs. Robert Burns; secretary-treasurer (pro tem), Mr. E. J. Bennett; committee, Messrs. J. Cochran, Grant, Boyd, Wilson, Henderson and MacKenzie.

Constitution and by-laws were adopted before other business was touched upon. A statement from the treasurer showed that the club started off on a financially sound basis. It was moved that the newly-constituted society assume any indebtedness of the provisional Burns' Club, "including the haggis."

The question of membership was discussed, and members already enrolled were invested with all authority to go forth and seek fresh members, anyone interested in Burns and Scottish poets and writers being eligible. The committee will meet and draw up a syllabus for the winter, but the next regular meeting of the society, on the second Tuesday of December, will be in the nature of a social, the programme of which will be announced in due course. The matter of a fixed meeting place will also be discussed by the committee.

One of the first things which the new society will take up, if the wish of a majority of the members is carried through, will be the removal of the little figures on the Burns' monument at Beacon Hill park in order that there may be placed in their stead a figure more in proportion with the plinth. The little figures, described by one speaker as "marionettes, absurdly out of proportion to the base of the statue," will be removed to the Parliament Buildings or some other suitable place in order if the wish of the society is fulfilled.

Mr. J. G. Brown, who presided at the organization part of the proceedings, reminded the meeting that there were two anniversaries which such a club most assuredly should commemorate, viz. St. Andrew's Day and Burns' anniversary. The matter will be taken up immediately by the committee.

ORDER WILL ASK FOR ARMISTICE OFFERING

Members of I.O.D.E. to Participate in Effort to Complete Their War Memorial Fund

NANAIMO, Nov. 1.—The Provincial Chapter, I.O.D.E. of the Empire, opened its Autumn quarterly meeting in this city this morning with thirty-six officers and delegates in attendance. The meeting was presided over by Provincial President Mrs. A. U. de Penoler, of Vancouver, who welcomed the delegates and briefly referred to the work of the Provincial Chapter during the past quarter. Reports dealing with the work of the organization were submitted by the secretary, treasurer, organizing secretary, and the Education secretary, the meeting adjourning at 1 o'clock to deal with the general work of the organization this afternoon.

The afternoon session of the Provincial I.O.D.E. convention was principally devoted to the order's war memorial by way of a special appeal to the Chapter to raise \$14,000, the remainder of the British Columbia quota. It was decided to ask for a special Armistice thank offering from every member in British Columbia, and make an effort to complete the memorial before the next annual meeting. The Armistice thank offering fund was opened by Mrs. Watson, Normandale, donating \$10. Other cheques followed.

In future Provincial meetings will be held in November and March, and at intervals the executives is empowered to transact all business. Quarterly meetings will be reduced to one meeting in September and January of each year.

The picture war memorial is completed, and British Columbia's allotment for distribution is sixty collections of patriotic studies for the public schools, with a proviso that no pictures shall be donated unless responsibility for the framing is assumed. Since the annual meeting, Connaught Chapter, I.O.D.E., Vancouver, has led the list in contributing to the war memorial fund with a percentage of \$21.48 per member.

The total contributions to the fund amounted to \$10,922.41.

WINTER TRAFFIC RULES

By Order-in-Council Speed and Tonnage of Vehicles to Be Controlled

Under order-in-council passed by the Provincial Government, traffic rules are to come into effect for the winter months beginning November 19 and continuing until deemed advisable in the spring.

The gross load of any truck or other vehicle used for carrying goods shall not exceed six short tons, and when loaded shall not exceed a speed of ten miles an hour.

The gross load of any bus or other vehicle used for transportation of eight or more passengers shall not exceed four tons, and shall not exceed a speed of fifteen miles an hour, according to the new rule.

ANNIVERSARY HELD

Church of Our Lord Has Service of Song to Mark Forty-Eighth Year

As part of their celebration of the forty-eighth anniversary of the Church of Our Lord, the congregation last evening listened to a service of sacred song and anthem given by the choir and soloists.

The service opened with the collect for All Saints, and among the numbers on the programme were the anthems "Ye Shall Go Out With Joy," "O Sing Unto the Lord" (Teaser) and "The Lord is My Shepherd," sung by the choir. Mrs. Frank Rasmussen taking the solo parts; Commander and Mrs. H. (Wooler), sang very beautifully by Miss Edith

MISS MABEL SCAPLEN WEDS MR. WALTER HALL

Popular Couple United in Marriage at Metropolitan Church Yesterday Afternoon

A pretty ceremony was solemnized yesterday at 2:30 p.m., at the Metropolitan Church, when Miss Mabel Scaplen, youngest daughter of Mr. and Mrs. E. Scaplen, and William Walter Hall, only son of Mrs. Hall and the late L. W. Hall, were united in matrimony by Rev. Dr. Sprogh.

The bride, who was given in marriage by her father, was lovely in her gown of crepe-back satin with panels of embroidered silk georgette. Her soft silk veil formed the train and was caught to her hair with orange blossoms. She carried a bouquet of Orphelia roses and maidenhair fern.

Her sister, Miss Olive Scaplen, attended her as bridesmaid and was charming in a gown of mauve Canton crepe, beautifully beaded. Her hair was becomingly arranged with an ornament of silver leaves and silver grapes. She carried a sheaf of mauve chrysanthemums. Little Miss Peggy Macfarlane made a dainty flower girl in a pink tulle frock and carried a basket of baby roses.

Mr. Walter Miles supported the groom and the ushers were Mr. T. McInnes and Mr. P. Foster.

After the ceremony about a hundred and fifty guests attended the reception at the home of the bride's parents, 1040 Sutley Street.

The bride and groom received their friends standing beneath an archway of Autumn leaves and chrysanthemums.

A buffet supper was served in the dining-room. The handsome four-dish wedding cake centered the table which was prettily decorated with pink tulle and asparagus fern.

The happy couple left on the afternoon boat on route to Vernon. The bride traveling in a smart gown of navy Canton crepe with coat of navy Normandale cloth with skunk trimmings, and hat of navy and silver.

ST. GEORGE'S SOCIETY

Sale of Work and Social Yesterday. Netted Over Fifty-Three Dollars For Special Fund.

Mrs. Leach, 1139 Hilda Street, threw open her home yesterday for a sale of work and social in aid of St. George's Society, with the result that something over \$53 was collected for a fund which has been started for an special object. The members gave good support to the undertaking.

Home cooking, in charge of Mrs. G. H. Thorne, was much in demand. Candles were rapidly sold by Miss Thorne, and afternoon tea was highly popular, those in charge being Mrs. Maxwell, Mrs. Northam and Mrs. Ashton. Mrs. Williamson had charge of a table of sports. In the afternoon Miss Clara Powell brought some of her pupils to help on the short programme; Miss Marshall gave some pianoforte pieces; Mrs. Iwini sang; and a pupil of Miss Moore played.

The evening programme included whist, musical programme and refreshments, those taking part in the programme being Mrs. de Gruy and Mrs. Moore, vocal; Mr. J. Bryant and Mr. M. Moore, vocal solo; and Mr. Deaville, pianoforte selections. The whist prizes went to Miss Hurley and Mrs. Williamson. Mrs. Hartley and Mr. Brown; the consolation prizes being awarded to Mrs. Parsons and Mr. J. Bryant. A hearty vote of thanks to Mrs. Leach, who had lent her home and gone to much trouble in arranging the day's programme, concluded the delightful affair.

POINT ALBERT

Mrs. Stevenson, of Victoria, who has been a guest of Mr. and Mrs. Brimacombe, left for home on Saturday's train.

Mrs. Coste and Mrs. L. B. Blair, of Vancouver, are guests of Mr. O. Matson for the next few weeks.

Mrs. R. J. Burde and her daughter, Margaret, left by Tuesday's train for a visit to Montreal, where Mrs. Burde will make a stay of a few weeks visiting relatives.

Mr. Harold Cottar, of Meares, Price, Waterhouse & Company, Victoria, who had been spending his holidays with Mr. B. B. Garrard at the latter's home here, returned to Victoria on Saturday.

Government of the Province and the legislature. Relief in the matter of school taxation for municipalities will be urged. There is also in contemplation new methods of administering the municipalities' share of the liquor revenues and a number of other questions discussed at the late convention in Kamloops.

The outgoing coal cargoes of Britain are nearly three times those of 1911. Auto engines waste about 30 per cent of the gasoline fed into them.

Municipalities Will Make Move Shortly Upon Legislature

Within a few days there will reach the city the representatives of the Union of B. C. Municipalities with the proposed amendments to the Municipal Act and other propositions that are to be placed before the

On the Night before Wash Day

Do this, and you will have a pleasant, easy, work-free wash-day—with wonderfully clean sweet clothes:

For each tub of clothes take half a package of Rinso, dissolve in just enough cool water to make it as thick as cream. Then stir in two quarts of boiling water, and stir well. When the bubbles disappear you will have a clear, amber-colored liquid that is the magical Rinso washing solution. Pour it into your tub of cool or lukewarm water, and put in the clothes and soak. For extra hard water or extra dirty clothes add more Rinso solution.

In the morning rinse thoroughly and hang out to dry—the washing is done! That's why Rinso is different from all other Soaps and Washing Powders.

MAKE HORSESHOES OF OLD BRIDGE IRON

Material in Equimault & Nanaimo Structure Will Be Sold to Junk Buyers—Some for China

The wrought iron contained in the old Equimault & Nanaimo bridge, which is being dismantled to make way for the new Johnson Street viaduct, will be sold in Victoria and neighboring cities for junk. It was stated yesterday at the City Hall.

The Canadian Bridge Company, contractors for the superstructure of the Johnson Street bridge, undertook to dispose of the old bridge, and bought it from the city for \$7,500. At first there was some talk of using the bridge to span Rock Bay, but this proved impracticable and the plan was abandoned.

City Engineer F. M. Preston stated yesterday that the old bridge would probably be completely dismantled, and removed from the site where it has stood for more than thirty years by the end of next week.

Some of the iron will be shipped to Seattle to be used in the manufacture of horseshoes, and it is expected that a quantity of it will be shipped across to China, which has been an important market for horseshoe iron for years. In the days when the horse was king, Victoria used to ship hundreds of tons of horseshoes to China, but no one in the City Hall seems to know just what they were used for.

As soon as the old bridge is removed the substructure of the steel railway section of the bridge will be completed, and then the Canadian Bridge Company, which has been fabricating the steel parts at its plant in Walkerville, Ont., will start shipment of the material to Victoria. The assembly and erection of the new span will probably be commenced before the end of the year.

Constipation and Sluggish Liver

Don't take chances. Get Carter's Little Liver Pills right now. They never fail to make the liver do its duty. They relieve constipation, stop biliousness, stop indigestion, drive out biliousness, stop dizziness, clear the complexion, put a healthy glow on the cheeks and sparkle in the eyes. Be sure and get the genuine.

Small Pill—Small Dose—Small Price

ARTS AND CRAFTS CLUB ENTERTAINS

Many Guests Attend Attractive Half-Hour Ball at Alexandra House

The popularity in which the annual ball of the Arts and Crafts Society is held by the public was clearly demonstrated by the large number of guests present on Tuesday night at the Alexandra House.

For the enjoyment of those guests who did not join in the dancing to the strains of Heaton's augmented orchestra bridge games were in progress during the evening, under the sponsorship of Mrs. T. S. Gore. Mrs. F. B. Pemberton was in charge of the arrangements of the dance, and was assisted by a committee composed of Mrs. L. C. Sweeney and Mr. James McMillan. The Alexandra House attended to the serving of refreshments.

The affair, which was a fancy dress Halloween ball, was very well attended by guests in costumes, and their varied and brightly colored dresses added not a little to the charm of the scene. Wetten ladies and those representing the police, bonnet and crinoline period mingled with the picturesque ladies from Hawaiian Isles or the romantic Parisian Apache Egyptian men and women appeared, and Pierrots and Pierrettes were in gay humor.

Among the guests were Mr. and Mrs. F. H. Pemberton, Miss Pemberton, Lady McBride, Mrs. Raymur, Mr. and Mrs. Harry Briggs, Miss Crease, Miss M. Kitto, Miss V. Morrison, Mr. R. Fuller, Miss Ella Simpson, Mr. and Mrs. Garrett, Mr. and Mrs. B. Heisterman, Major and Mrs. MacDonald, Mrs. Banerman-Campbell, Mr. McMillan, Mr. Vic B. Anderson, Mr. and Mrs. W. Broek, Mrs. McConnell, Miss A. Billie, Miss B. Salter, Mrs. A. Parker, Mrs. Champlin, Mr. Moscher, Miss Donough, Mrs. Jean Donald, Mr. W. P. D. Brook, Mr. and Mrs. T. S. Gore, Mrs. Ridley, Mr. G. Kitto, the Misses Jones, Mr. and Mrs. Chandler, and many others.

TO DISCUSS WATER BOARD WITH SAANICH

Greater Victoria Committee Executive Will Confer With Municipal Council Next Thursday

The executive of the Greater Victoria Committee will confer next Thursday evening at 8:15 with the Saanich Municipal Council regarding the proposed Greater Victoria Water Board, to centralize the management and facilities of Southern Vancouver Island waterworks.

The executive held a special meeting last night to finally whip into shape the draft bill that will be submitted to the Legislature, authorizing the various municipal councils concerned to put the proposed water board into operation.

As the bill is not yet in its final shape, and, in the event of its being enacted, the necessary plebiscites cannot be held until February or March next year, the committee has found it impossible at this time to furnish speakers at various meetings to discuss the project, as has been requested by some organizations.

Major A. D. Crease, of Oak Bay, has been elected to a place on the Greater Victoria executive.

The Greater Victoria amalgamation scheme and the water board plans are being kept entirely separate, members of the committee emphasized last night.

Convinced of Forgery

PRINCE GEORGE, Nov. 1.—J. Barry was convicted in assize court today of forgery and uttering in connection with a cheque which he is said to have picked up and cashed at the Government Liquor Store. Sentence is deferred.

MASQUERADE DANCE IS WELL ATTENDED

Affair Held at Saanichion Under Auspices of Directors of Saanich Agricultural Society

The masquerade dance held at the Agricultural Hall, Saanichion, by the board of directors of the Agricultural Society Tuesday evening was a great success.

There was a good attendance, the dancers wearing varied and colorful costumes. Among the favorites were: King Charles I, Spanish dancers, Chinese mandarins and ladies, The Daily Colonist, the pirate, several negroes, a gentleman representing "Our Own Brand" of butter, hobo, a black cat, Charlie Chaplin, and several clowns.

The prize winners were as follows: Historical—1st lady, Miss M. MacKenzie, of Saanichion, has a Saanich dancing girl; 1st gentleman, Mr. Nelson Muirgrave, of Deep Cove, as a Spanish dancer.

Original—1st lady, Miss Morrison, James Island, as night; 1st gentleman, Mr. J. W. Barker, Strawberry Vale, dressed in gunny sacks.

Comedie—1st lady, Miss C. Hagan, Saanichion, as a black cat; 1st gentleman, Mr. George Malcolm, Saanichion, as a hobo.

The judges were: Mrs. M. Foster, Mrs. G. McLean and Mrs. W. P. Fitchell and Messrs. F. Tomlinson and Morrow, of Victoria.

The hall was prettily decorated with flags and bunting. The supper room was done in black with orange crepe paper on the walls and supper table. The supper was in the charge of Mrs. F. Harrison, Mrs. W. J. Barker, Mrs. J. Livingston, Miss E. Jeune and Mrs. B. Deacon, lady directors; assisted by Mrs. M. Foster and Miss Malcolm.

Mr. Colin Chisholm made a satisfactory master of ceremonies.

OPPOSITION LEADER HEARD FIRST TIME

Hon. W. J. Bowser Asks Explanation Relative to Alleged Scandal in School Affairs

Hon. W. J. Bowser, leader of the Opposition, made his first speech in the 1922 House of Commons, and made a brief speech yesterday afternoon in favor of the amendment to the speech relative to school affairs. He first congratulated the member for Kamloops with having broken the caucus rule of any Government member, other than the mover and second, speaking in the debate. (Cries of order.) Mr. Bowser thought that the House should at least hear from the Minister of Education for the time in view of the criticisms levelled against his department by previous speakers. He for one, had seen no betterment of the system in recent years, but rather a retrograde movement.

Alleged Scandal

The leader of the Opposition referred to an alleged scandal at the Ladysmith school during the past year when the examination papers had been left unguarded, a principal's desk and had evidently been taken advantage of by the principal and the students under him had all been passed with honors. Following an investigation made, the principal had been forced to resign. This had been followed by the principal's appointment to a position in Vancouver together with a recommendation from the Department of Education which had resulted in a higher salary being paid to the individual. Unless the Department looked more closely into such affairs, claimed Mr. Bowser, the confidence of the public will be shaken.

No explanation was offered, however, in reply to the request.

WITNESSES AT VARIANCE

Police Court Charge of Reckless Driving Expects Opposing Accounts of Serious Accident

The charge against George Mellor, of driving to the common danger on Haultain street, on October 21 last, was remanded for judgment by Magistrate Jay, in the city police court yesterday, following evidence as to an accident as to which witnesses on opposite sides gave extremely contradictory accounts.

Mr. Albert Cobbin and other witnesses said that they saw the defendant's motor car crash into a milk wagon at the corner of Victor and Haultain streets. Thomas Hughes, the boy driver of the wagon, was knocked unconscious. The milk wagon was thrown into the air, the shafts broken, the horse becoming a runaway. These witnesses said that they were driving on the wrong side, and at an excessive rate of speed. Thomas Hughes himself could not remember much of the accident, but

Is that CORN COMING BACK AGAIN?

Did you merely cut the top off? And is the ROOT STILL THERE? If it is, the corn will certainly come back bigger than ever. The business end of a corn is the ROOT and you must get that OUT. The top doesn't matter.

A good handful of Round Bath Salts dissolved in a gallon or so of hot water will soften the corns, callouses, like water softens soap. Just soak them in this for a while, then take hold of the corn with your fingers, and out it will come, root and all. The refined Round Bath Salts costs very little, and every chemist has it. A half-penny is sufficient to rub the whole family of all four toes. (Adv.)

He thought that Mr. Mellor was on the right side of the road.

As against this evidence, Dr. Vye, who was driving with Mr. Mellor, and who gave first aid to the boy and took him to the hospital, said that the defendant was traveling under fifteen miles an hour on his proper side of the road, had the right of way, and that the boy was on the wrong side of the road. This evidence was supported by that of four other witnesses, three of them, Haysman, as well as that of Mr. Mellor.

Magistrate Jay said that in view of this striking contradiction contained in the testimony of one side against the other, he would reserve judgment until next Friday, as he desired to review the evidence. Mr. J. A. Alkman appeared for the defence.

HISTORICAL SOCIETY COMMITTEE FORMED

Meeting Held at the Government Archives Emphatically Endorses Proposed Project

"The people of this Province have not yet got to the point where they recognize the value of libraries and archives. They must in time come to take a real live interest in a past which is full of romance and rich in history."

This declaration by Professor Sage, of the University of British Columbia Department of History, was but a summary of the sentiment which he brought to the meeting held Tuesday night at the Archives gallery for the purpose of forming a Provincial Historical Society. Judge Howay, of New Westminster, another of the principal speakers of the evening; Mr. Beaumont House, who was called to the chair to preside; Mr. Forsythe, Provincial archivist, at whose invitation the meeting was summoned, and who gave a comprehensive outline of the objects of such a society; Major Longstaff; Mrs. R. B. McKinnon; Mr. J. Matthews, of Nitinat; Mr. Levi, Kelly, president of the Natural History Society; Mr. Godsal and others, endorsed the project in addresses of varying lengths, while practically everyone else in the hall bespoke support for the undertaking by their presence.

The matter was crystallized by Mr. Cuthbert Holmes' resolution approving the formation of the Historical Society, and naming Judge Howay, Mr. Forsythe, Professor Sage and Mr. Beaumont House as a committee to draw up a constitution. Mr. Forsythe being asked to act pro tem as honorary secretary. Professor Sage moved a resolution which formed the Provincial Society should affiliate with the Canadian Historical Society at Ottawa.

Objects Outlined

Outlining the objects of such an organization, Mr. Forsythe, after the discussion by referring to what had already been done by different historical societies, naming the Lady Douglas Club, the I.O.G.T. Native Sons, the historical committee of the Chamber of Commerce, and recently been sent out by pioneers seeking historical documents in their possession, discovered the destruction of many priceless papers in various fires.

"This in itself is sufficient to show the necessity of some fireproof building such as we have in the Provincial archives," said the speaker.

Another object of such a society would be preservation and marking of historical sites. Every municipality in the Province should be encouraged to mark such sites, and the date might be collected by the central society.

"I believe it is the intention of the historical committee of the Chamber of Commerce to mark the site of the landing of Sir James Douglas and Colwood Farm," said Mr. Forsythe.

Other suggestions made by Mr. Forsythe included lectures on British Columbia history, for which there were available at the Archives hundreds of lantern slides; field meetings to places of historical interest; the issuance of historical notes; and systematically arranged matter; publication with the Canadian Historical Association; co-operation with teachers in obtaining reliable historical information for dissemination in the schools of British Columbia.

Some of the outstanding things in the history of British Columbia were recalled by Judge Howay in his opening remarks. "However you view the thing there is something at every turn of interest and romance." The history of British Columbia on Northwest history in the Provincial Archives was known to be the finest in the world on the subject, and no student of history would be without a visit to these archives. Washington and Oregon had active historical societies. The society had a government grant of \$10,000 a year. Yet they were not in the same class as British Columbia in respect of their archives. Students of these American societies had to come to Victoria to do their work, yet the result of that work is published in their periodicals. This, again, pointed out the need for some local publication.

"I see no reason why the Government of British Columbia should be loth to spend a little more per annum in the dissemination of the knowledge which has been collected in these archives," suggested Judge Howay. "I have always thought the monument at Nootka Sound is a blunder," he protested. This historic site of the meeting of Vancouver and Quadra has been marked, not by a British or Canadian association, but by the Washington Historical Association. The only thing which Canada has done "in the fulness of her heart," had been to admit the monument free of duty. An American might yet be the only person to mark the spot in the history of the Province, he noted satirically. Mr. Forsythe was congratulated on having taken the initiative in launching the movement to form a historical society.

B. C. Rich in History

"One does not realize until one has gone into the history of this Province how tremendously rich it is," said Professor Sage, after he delivered greetings from President Kline, said Coleman and Dr. Easton, of the University of British Columbia, all of whom were much interested in the proposed society. One did not realize how completely the history of British Columbia was bound up with the history of the rest of Canada. Yet it was regrettable how little of British Columbia's history was

taught in the schools. He spoke as an Eastern Canadian who had been here only five years when he said that Dean Skelton, of Queen's College, had told him, in 1918, that the Provincial Archives in Victoria were the best provincial archives in Canada. This speaker also urged some form of publication, a B. C. Historical Quarterly, for instance, which would be essential to the collection of authoritative matter.

Fire Premiums

OTTAWA, Nov. 1.—The amount of fire premiums written in 1921 was \$50,829,291, and in 1920, \$54,764,251, the decrease being \$3,934,960, or 7.7 per cent of the 1920 business, says a report to the Government Superintendent of Insurance. The losses incurred in 1921 exceeded by \$5,384,000 the losses for 1920, the figures being \$10,254,341 and \$4,870,341, respectively. The ratio of losses incurred to premiums written for 1921 is 59.51 per cent against 45.42 per cent for 1920; 50.28 per cent for the last five years and 57.16 per cent for the entire fifty-three years over which the Department's record extends.

Adopt Canadian's Suggestion

LONDON, Nov. 1.—Reuters' Geneva correspondent says the international labor conference, after considerable discussion on the report of the reform committee on the reform of the governing body of the International Labor Office, adopted the proposal of Hon. Ernest Lapointe,

Canadian Minister of Marine and Fisheries, by which six of the 18 government members of the governing body shall belong to non-European states.

FORMER PREMIER MUST REST FOR FEW DAYS

LONDON, Nov. 1.—Mr. Lloyd George has developed a sore throat and on the advice of his physician Lord Dawson, has abandoned his engagement to speak at Bristol tomorrow.

Lord Dawson said today that a few days' rest were absolutely essential for the former premier. It is understood, however, that this disposition is not serious.

WILL DISCUSS PLANS FOR COMING SEASON

Victoria Senior Amateur Hockey Association Will Hold General Meeting Tonight

A general meeting of the Victoria Senior Amateur Hockey Association has been called by President Dan O'Sullivan for tonight at 8:15 o'clock at the Y.M.C.A. Officers to be elected and business discussed for the 1922-23 season.

At the present time little interest has been shown in the approaching season's play, and the four teams, Senators, Elks, Great War Veterans and Garrison have not signified whether they intend holding or relinquishing their franchises. There is possibility of the Senior and Commercial League amalgamating, but the originators of the idea have been keeping the matter dark until tonight.

There has been considerable talk about organizing an intercity league, and tonight it is probable that this matter will be fully discussed. The question of organizing a junior league will also be dealt with by the meeting, and a schedule will be drawn up so that the youngsters will get away to an early start.

There has been a rumor around town that Victoria's old time amateur hockey stars are organizing a team which will endeavor to secure a franchise this season. The team is to consist of Percy Watson, Darrell Spence, George Hiraith, Colonel Colville, Major Goodlove, Ernie Cook, Harry Smith, Cyclone Mike McDonald, and other old timers.

President O'Sullivan is anxious that all those who are interested in amateur hockey will be sure and turn out tonight.

SOCCER PLAYER HONORED AT NANAIMO

Robert Husband Given Testimonial and Send-Off on Leaving Vancouver City for Vancouver

NANAIMO, Nov. 1.—Mr. Robert Husband, accountant in the Royal Bank of Canada here since 1920, and one of Nanaimo's star soccer players, has been transferred to the Vancouver branch of that institution, and left this morning to assume his new duties.

Last evening members of the local football team and a large number of their supporters gathered together at the Grand Hotel to give "Bobbie" a send-off, and a most enjoyable evening was spent. During the evening Mr. Husband was presented with a cheque as a memento of the esteem in which he is held by both public and players here. The presentation was made by Mr. Robert Adam, president of the local football club, who, during the course of his remarks stated that "Bobbie" had always been found when wanted, either to play in a coming game or to make the necessary play when the game was in progress.

A splendid musical programme was rendered during the course of the banquet. Miss Ellen Quinn acting as a most efficient accompanist for the following who took part during the evening: Moore, Handlen, English, Husband, McMillan, E. Jackson, Stobart, W. Thorpe, J. Jones, J. Hamilton, Quinn, J. Cooper.

Hudson's Bay Company.

SPORTING NEWS

MICKEY WALKER BEATS BRITTON

Veteran Welterweight Champion Loses Title by Decision After Fifteen Rounds of Fierce Fighting

NEW YORK, Nov. 1.—Mickey Walker, of Elizabeth, N.J., became the new welterweight boxing champion of the world tonight when he received the decision over Jack Britton, the veteran titleholder, in a 15-round bout in Madison Square Garden. It was one of the fiercest contests ever seen in this arena. The champion weighed 148 and the challenger 141 1/2.

When the men came into the ring it was officially announced on behalf of the New York Boxing Commission that all betting on the outcome should be decided on the basis of a late switch in the odds. This afternoon the odds were 6 to 5 in favor of the champion, but an hour before the going rang it had shifted to 3 to 2 in favor of Walker. There was a rumor that Britton was not in the best condition.

The Fight by Rounds
 Round 1.—Britton tore in and landed a left to the body following with a light fusillade from both hands. Walker backed to the ropes where he staggered the champion with a right to the chin. Britton recovered, but Walker held him near the ropes, hammering furiously with both hands and then driving the champion to the centre of the ring, where he continued to hammer away. Coming from a clinch Britton caught his opponent along the ropes and landed both hands to the jaw. It was a fierce session.

Round 2.—Britton began the second round carefully, planting his left into the challenger's stomach and cleverly getting away, making Walker miss. Britton tripped near Walker's corner and fell to both knees, but was up in a flash. Walker caught the champion with a right to the head and, as Britton wobbled, Walker followed with his left, but the champion steadied and they were clinched at the bell.

Round 3.—They began the third round cautiously and mixed at close quarters. Walker took the lead, hooking his long left arm in front of him, and the four teams, Senators, Elks, Great War Veterans and Garrison have not signified whether they intend holding or relinquishing their franchises. There is possibility of the Senior and Commercial League amalgamating, but the originators of the idea have been keeping the matter dark until tonight.

Round 4.—They began with long distance sparring, but soon Walker planted his left in Britton's stomach and the champion's return was short. Britton staggered Walker with rights to the head and evaded the return. Britton caught Walker in a neutral position and pumped him with a right hand, continuing after the bell rang until stopped by the referee.

Britton Going Strong
 Round 5.—Britton appeared stronger and more sure of himself and took the lead. He caught Walker in a corner and landed short upper-cuts and an overhead right and knocked Walker to the ropes. Walker returned right to the jaw and a right punch. He rocked the champion with a left to the jaw. Walker then drove Britton across the ring, driving both fists to the jaw. The champion reeled about and fell into a clinch. They were exchanging at the bell.

Round 6.—Walker shot a left to the jaw and Britton clinched. Walker continually landed his left to the jaw and Britton tried only to block. The champion appeared weaker and the challenger gave him no rest, again causing Britton's knees to sag with a left to the jaw. Britton occasionally landed a blow, but Walker continued hammering away.

Round 7.—Walker hooked his left to the jaw and Britton retreated. Walker sent his left twice to the stomach, then twice to the jaw, and Britton continued to back up. Britton took more lefts to the jaw before swinging out his own in return. He made Walker dance with a left to the jaw, but the challenger replied with a two-handed assault which the champion could not meet.

Champion Weakening
 Round 8.—Jack rocked Mickey with a right to the head, then took a volley of body blows. Walker continued turning the champion's head with his left and began hooking his right more frequently. In desperation the champion began swinging short right upper cuts, but they lacked steam. The champion resumed his retreat and then began to hold, the challenger sending crushing blows to the kidneys.

Round 9.—Walker began hooking both hands to the head, and then to lay back for powerful left swings to the stomach. The champion took a left to the jaw and a series of body blows. Walker pushed Britton to the ropes near the champion's corner, where he pummeled away until Britton fell to his knees. He was calmly listening to the count when the going rang at the count of six.

Round 10.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 11.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 12.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 13.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 14.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 15.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 16.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 17.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 18.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 19.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 20.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 21.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 22.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 23.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 24.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 25.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 26.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 27.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 28.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 29.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 30.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 31.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 32.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 33.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 34.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

Round 35.—Walker launched into the attack only to find that Britton was coming back with more vigor than he had shown at any time. Britton returned blow for blow and forced Walker across the ring, beating the challenger against the ropes.

THE HOCKEY SEASON

With the announcement that the first official practice of the Victoria Hockey Club is to be held at the end of the week, interest in the coming season's games is becoming more pronounced. It is fully expected that most of the players who will be found wearing the blue and gold this season will be on hand when the practice season holds its initial session. According to an announcement made at hockey headquarters yesterday, there will be even a greater demand for season recreations than last year, when a record for season reservations was established. It is further announced that, as in former years, last year's season subscribers will be given preference in booking up their old seats up to and including Wednesday, the 8th inst., after which date the plan will be thrown open to the general public.

ropes. Britton began to burn out and bowed with folded arms before a new assault, but Walker too was tiring from the pace and he did not press the champion.

Round 12.—Both men fought in a tired but dogged fashion. Walker took the lead and rocked Britton with a right crack to the jaw. The champion began to show punishment without much resistance and as Walker landed a series of body blows Britton went to his knees and knelt on the floor until nine was counted. The champion was extremely groggy and only able to hold up his feeble arms. Walker rained both hands to the head, stomach and the kidneys as the champion leaned over, faltering in his steps, but Walker lacked the finishing blows.

Round 13.—Walker hammered at Britton's chest and stomach, frequently shooting his left to the jaw. Walker seemed tired and the champion laid his weight on his opponent's shoulders. Walker stepped away and planted his left to the chin and right to the body, but still the groggy champion kept standing on his wobbly feet. As the round ended Britton caught Walker with a one-two to the jaw and the crowd applauded.

Round 14.—Walker caught Britton with a left to the jaw and sent his right to the back of the neck and then hooked several lefts to the jaw. Britton tried to clinch continually, and reeled and waded as he backed around the ring. Britton sent both hands to the jaw and Walker replied with both arms full of blows. The reeling champion backed around the ring, lurching awkwardly.

Round 15.—Walker played for the body and then shot wild punches to the jaw. He forced Britton to retreat around the ring, but Jack blocked with some effect. Walker staggered Britton with a right behind the ear and a left to the body, but the challenger was becoming wild and was too tired to follow his advice. He calmly shook hands with the challenger when the bell sounded.

LADYSMITH SENIORS DEFEAT MERCHANTS

Undeclared Soccer Team Wins by Three to Nil—Lads Here Here Thanksgiving Day

LADYSMITH, Nov. 1.—The as yet undeclared soccer team retained their laurels by severely whipping the Merchants United of Nanaimo on the Ladysmith field Sunday afternoon by a score of 3-0. The Nanaimo team has been much strengthened since they last met the local team, and, although never becoming dangerous in the play, they several times forced Ladysmith to the defensive. The first goal was shot by Mathieson, and the second by M. Davies, who made many of his usual brilliant plays during the game. The third and last shot was a penalty shot by Anderson, which the visiting goalie had no chance to stop. Boyd, former Cumberland goal tender, made his first appearance with the team, but had no opportunity to display his prowess in that position on this occasion. McCormick, a once famous Old Country footballer, was on as a substitute, and made several nice plays. The line-up for Ladysmith was as follows: A. Boyd, J. Lapsansky, A. Anderson, McCormick, J. Orr, A. Battie, F. Strang, A. Strang, M. Davies, A. Mathieson, W. Rafter.

The locals will go to Victoria on Thanksgiving Day and meet an all-star aggregation from that city. They will arrive there they have the game clinched, and will go down in their strength. The line-up for Ladysmith will be as follows: A. Boyd, J. Lapsansky, A. Anderson, McCormick, J. Orr, A. Battie, F. Strang, A. Strang, M. Davies, A. Mathieson, W. Rafter.

BIG FOUR TEAM WINS RUGBY CHAMPIONSHIP

OTTAWA, Nov. 1.—Superior weight and generalship won the senior rugby football championship of the city of Ottawa for the "Big Four" team this afternoon. They defeated St. Bridget's of the O.R.F.U. by a score of 26 to 6 in sixty minutes of splendid football.

GAME BOARD WINS APPEAL

NANAIMO, Nov. 1.—In the County Court yesterday the appeal of the Game Conservation Board against the decision of Magistrate Beaver Potts in dismissing the charge against a Jagerman named K. Wankowski for being in possession of an automatic shotgun was heard before His Honor Judge Barker. The decision of the lower court was reversed and the accused found guilty.

The magistrate dismissed the charge on the ground that the gun had a plug which only allowed one cartridge in the breach. The evidence showed, however, that the plug was removable, and in any event it was an automatic shotgun, even with a plug in. His Honor reserved sentence for two weeks. Mr. Arthur Leighton appeared for the prosecution and Mr. L. Beaver-Potts for the defendant.

GOLF CHAMPIONSHIP

LADIES PLAY FINAL ROUND THIS AFTERNOON

Mrs. Peterson, of Victoria, and Miss Kinlock, of Uplands, Are the Finalists in Competition

Play for the ladies' city golf championship over the links of the Colwood Golf and Country Club reached the final round yesterday, when in the semi-finals Mrs. Peterson beat Mrs. Fairbairn, three and two, and Miss Kinlock beat Mrs. Parry, five and three.

The final match between Mrs. Peterson and Miss Kinlock will start today at 1:30 p.m. Other results were: First night—Mrs. Sanders beat Miss Pitts, five and four, and Mrs. Boyd beat Miss Irving, five and four. Second night—Mrs. Richards beat Mrs. Gillespie, one up at the nineteenth hole.

WITH THE BOWLERS

Last night the Aradec made defeat at the hands of the Elks' No. 1 team, by 184 pins. The scoring for the game was as follows:

Elks' No. 1 Team	1st	2nd	3rd	Tot
McRoberts	146	151	159	456
Malcom	122	124	111	457
Fuggie	123	127	169	519
Steele	113	129	95	341
Barton	145	158	126	519

744 829 724 2517

Aradec

Felke	147	153	160	460
Malcom	122	124	111	457
D'Arcy	114	153	146	417
Harness	124	138	123	393
Willie	124	104	125	423

772 878 713 2163

Fuggie made high score for the Elks, with 197 pins, which was also high for both teams. Barton and he, both of the Elks, tied for high average, with 519 total pins. These were the only two bowlers who really showed up to form. Willie reeled high scores for the Elks, but failed to keep up his pace; Malcom, of the same team, also went to pieces after the first game, and spoilt what started to be a good thing. These elimination tournament games are bringing forth some surprises; the old-timers not seeming to be able to locate the head pin properly, and also throwing some erratic games. A month or so will bring them up to form and then there will be some real scores made and the averages will look a lot better. Tonight the fans will have their curiosity settled when the two dark horses of the league will meet. The Oddfellows and Stocker teams both being composed of new blood in the league.

FITZ'S AND BAYS PLAY DRAWN GAME

Score One All at End of Yesterday's Soccer League Contest at the Athletic Park

The Hudson's Bay and Fitz's soccer teams gave each other a rare tussle yesterday afternoon at the Royal Athletic Park, with neither side able to claim an advantage at the end of the encounter, when the score was one goal all.

Although the game was not perhaps remarkable for any very high-class football, every man on each side was working hard, and it could not be any means described as slow. Each side proved to be rather better in defence than in attack, and but for poor shooting ability, the game might have had a different result, though it would be hard to say that either team missed more opportunities for scoring than the other. Most of the excitement came in the later stages of the game after the score had been tied and the Bays were making desperate efforts to regain the advantage they had held for some time as the Fitz's were equally anxious to drive into the lead before referee Payne blew the final whistle.

There was plenty of excitement towards the end of the game, which was watched with interest by a very fair crowd of spectators and was satisfactorily refereed by Percy Payne.

In justice to the Bays it should be said that they were unfortunate in losing the services of one of their men during the second period. Weeks having to go off with an injured leg. The line-up follows: Hudson's Bays: Shrimpton; Smith and Weeks; Woodley, Allan and Waude; Alcock, Stewart, Turner, Sewell and Richardson. Fitz's: Jasper; Grimes and Grimes; Robbins, Sharlock and Lynn; Sharcott, Robinson, Erskine, Bowden and Pocock.

Simple Way to Take Off Fat

There can be nothing simpler than taking a convenient little tablet four times each day until your weight is reduced to normal. That's all—just purchase a case of Marmole Prescription Tablets from your druggist for one dollar, the same price the doctor charges for his medicine. Follow directions—no starvation dieting or tireless exercising. Eat substantial food—be as lazy as you like and keep on getting slimmer. And the best part of Marmole Tablets is they are harmless. That is your absolute safeguard. Purchase them from your druggist, or send direct to Marmole Co., 4613 Woodward Ave., Detroit, Mich. (Adv.)

PLAYER

ASPIRIN

UNLESS you see the name "Bayer" on tablets, you are not getting Aspirin at all

Accept only an "unbroken package" of "Bayer Tablets of Aspirin," which contains directions and dose worked out by physicians during 22 years and proved safe by millions for

Colds Headache Rheumatism

When Baby Complains.

THERE ARE MANY WAYS a baby has of expressing any pain or irregularity or digression from its normal condition of health and happiness. A short sharp cry, a prolonged irritated cry. Restlessness, a constant turning of the head or of the whole body, fretful. In these and other ways a baby tells you there is something wrong. Most mothers know that a disordered stomach, or bowels that do not act naturally are the cause of most of baby's sufferings. A call for the doctor is the first thought, but in the event of any delay there should be ready at hand a safe remedy such as Fletcher's Castoria.

Castoria has been used for baby's ailments for over 30 years and has merited the good will of the family physician in a measure not equaled by any other baby's medicine because of its harmlessness and the good results achieved.

And remember this: Castoria is essentially a baby's remedy and not a cure-all for every member of the family. What might help you is too often dangerous when given to a babe.

Exact Copy of Wrapper.

Children Cry For

Let's Think It Over.

There is such a thing as saying too much on any subject, and the "grand-stand" talker sooner or later becomes a bore. The truth is always welcome, and the truth reiterated and confirmed is more than welcome—it reaches your innermost soul.

Fletcher's Castoria is all its advertising has claimed for it. Scrutinized by the microscope of public opinion and used for over thirty years it stands without a peer in the hearts of thoughtful, cautious, discerning Mothers. And once used, mother love—there is no substitute for mother love—will scorn to try a "substitute" or a "just-as-good".

Masking under many names drugs that are injurious to the tender babe have found their way into some households, but the light of experience soon casts them out. Are they cast out before it is too late?

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

GENUINE CASTORIA ALWAYS

SPORTING NEWS

GARRISON WINS FROM CHAMPIONS

Weilers Wednesday Soccer Team Defeated by Four Goals to Three After Interesting Game

Weilers' soccer team, last year's Wednesday League champions, met defeat yesterday at Work Point at the hands of the Garrison in one of the best games so far played this season, but not until the second half did the eventual winners get into the lead. The score at half-time was 2-1 in favor of the losers, but in the second half the Tommies tallied three times while all Weilers could do was to tally twice, which made the final score: Garrison 4, Weilers 3.

From the kick off the Tommies were right in on the opposing goal, and Baker in goal for Weilers was given some hot shots to stop, all of which he handled in fine style, and try as they would, the Tommies found it impossible to score out of this early attack. This attack of the Weilers did not last very long, and in turn the Garrison defence was given quite a warm time in staving off the attacks of the fast Weiler forwards.

Tanlac Does the Work, States Rickson

Still another who vouches for the fact that "Tanlac makes you eat better, sleep better, work better and feel better," is Jerry Rickson, 1001 4th St. West, Calgary, Alberta, Canada, valued employee of the Hobbin Hood Milling Co. In telling how the medicine helped him to regain his robust health, Mr. Rickson said: "For four years I was in a terribly rundown condition, and kept getting worse. I was in such bad shape I fell off from a hundred and fifty-eight pounds to a hundred and thirty, and I tell you it took a mighty effort for me to keep on working. Somehow I stuck it out, but my nerves were certainly shaky, and I got but very little rest nights. My appetite dwindled to almost nothing and even when I did venture to eat a regular meal it did me no good whatever. "I saw by the papers where Tanlac was being praised by lots of people, so I started taking it, and I sure am glad I did. Five bottles put me in fine shape again; I eat hearty, sleep soundly, and have gained back a lot of my long-lost weight. Tanlac does the work without a doubt, and I am more than glad to recommend it." Tanlac is sold by all good druggists. (Adv.)

MILTON'S NIGHT SAFE

SAN FRANCISCO, Nov. 1.—Tommy Milton, 1921 National automobile speed champion, who injured one of his eyes while racing at Cotati, near here, on Sunday, will not lose his sight as feared, according to attending physicians.

Milton was put out of the race in the first lap when a splinter flew from the track, hitting his goggles and breaking the glass, a piece of which lodged in Milton's only good eye.

When the game had been in progress about fifteen minutes, Ward put the Garrison up one, when on a pass from the wing he slipped the pigskin to Baker, the opposing net custodian, for the first tally of the game.

This score against them seemed to give the Weiler eleven pep, and they attacked the Garrison citadel heavily. The Tommies' defence was given quite a warm time by the fast Weiler forwards, but their attempts were all fruitless. With about ten minutes to go to half-time, Weilers got away again, the left wing taking the ball well down towards the opposing team's goal. Harper again did the trick with a well placed shot just under the crossbar, leaving the Garrison goalies helpless to save. The whistle sounded denoting the time for a rest with the score 2-1 in favor of Weilers.

The Second Half.

With the rest period over, the Tommies' defence was given quite a warm time saving the situation from the fast opposing forwards. This attack on the Garrison goal did not last very long for it was now the Weilers' turn to have a shot at goal, and this they did. Cummings centred, but the shot which came from this centre instead of landing in the goal, was flying over the crossbar when the player was only about three yards from the goal, and this opportunity of tying the score was wasted.

The Garrison made up for this poor showing about five minutes later when Ward, who was well in on the opposing goal, sent in a hot shot for him to save. The goalie saved, but before he could get properly set in his goal Coulter had booted the rebound into the net for the tally which tied the score.

On one occasion the Weiler eleven lost the golden opportunity of the day to get into the lead. One of the forwards took a long shot which was in the Garrison territory and drew the Garrison goalie out to save, the goalie fumbled, but the opposing team had to let the opportunity of scoring as the forward instead of placing the shot sent it over the crossbar.

Garrison Take Lead

At last the Garrison broke away again. This time the ball was taken well down in the Weiler territory by the Garrison half backs and then passed to Coulter, the centre forward, who made his way toward the Weiler goal with the ball. He beat both inkeepers, and with the goal empty the Garrison man shot and the ball landed into the net, thereby putting the Garrison up one.

This tally on the part of the opposing team seemed to put pep into the Weilers, but it was no use. All their attempts to score were cancelled by the Tommies' goalie, and the splendid defence work of the backs. With about ten minutes to go the Tommies added another tally to their total, Coulter again doing the trick, this time on a pass from Bias.

With the score 4-2 against them Weilers made a last attempt to register the winning tally, but the best they could do was to slip just one more goal past the Tommies' goal. This goal came from the head of the centre forward, who on a pass from the right headed the ball into the corner of the net when well in on the opposing net custodian, who was helpless to save.

The Garrison missed a chance to get further into the lead when they were awarded a penalty, one of the opposing team handling the ball in the forbidden area. Coulter took the shot, but failed to register, and when the final whistle sounded the score stood 4-3 in favor of the Tommies.

Garrison a Man Short

The remarkable feature about the game was that the Tommies really beat Weilers with ten men. Baker, one of the Garrison men, being put off the field by the referee about ten minutes after half time.

Coulter, centre forward for the Garrison, was certainly the hero of the day, he having scored three of the goals for his team, one goal in particular being a fine display of football when he beat both backs of the opposing team, and then scored unassisted. Armstrong at back, and Mitchell on the half back line played good ball. For the losers, Harper on the right was the star of his team, his fine shooting being a great credit to him.

Yesterday's game, as the score would denote, was one of the best exhibitions of soccer so far displayed in this league this season, and judging by the crowd of spectators on hand, this league is certainly getting quite popular, and before the season is over, the officials of the league are looking forward to a very successful season.

Lock refereed, and the teams took the field as follows:

Weilers—Baker; Cupas and Peden; Milton, Hall, and Hall; Harper, Stewart, Hay, Fletcher and Livingston.

Garrison—Waggett; Armstrong and Moore; Mitchell, Spiers and Davies; Cummings, Bias, Coulter, Ward and Hueston.

League Standing

The league standing of the Victoria and District Wednesday League to date is as follows:

Team	P.	W.	L.	D.	Pts.
Weilers	4	2	1	1	8
Garrison	5	3	2	1	8
Hudson's Bay	5	3	2	1	8
Pitts	4	2	2	2	6

*Lost two points for playing an ineligible player.

BASKETBALL ENTRIES WILL CLOSE TONIGHT

Sunday School Athletic Association Building General Meeting at Y.M.C.A. This Evening

A general meeting of the Sunday School Athletic Association will be held tonight at the Y. M. C. A. at 7:30 o'clock, when entries for the various divisions in the basketball league will close. Superintendents of all schools interested are asked to appoint two delegates from each school, delegates to come prepared with full list of entries in the following divisions: Senior "A" Men, Senior "B" Men, Intermediate "A" Boys, Intermediate "B" Boys, Senior Girls and Junior Girls.

Entries for the Tuxis and Trail Rangers boys' leagues may be held over until the next meeting.

Entry fees entitling the schools to enter the activities of the association must be in at tonight's meeting. It is hoped that a full representation of delegates will be on hand this evening, so that the league schedules may be arranged immediately.

V.I.A.A. Rugby Practice

The V.I.A.A. rugby players will hold a practice tonight at the Club's gymnasium at Victoria West at eight o'clock.

A searchlight of 1,280,000,000 candle power is now being produced.

Backaches!
try Sloan's

Relieves soreness
by warming and circulating blood

Stop those dull, insistent aches, by relieving the painful congestion. Sloan's does this. Without rubbing, it quickly penetrates the sore spot, stimulating the circulation to and through it. Congestion is reduced, soreness allayed, the pain relieved.

Sloan's relieves sore, aching muscles, banishes the griping, breaks up colds in chest, stops suffering—wherever congestion causes pain.

Made in Canada

Sloan's Liniment—Kills pain!

SOCCER GAMES FOR SATURDAY ARRANGED

Senior league soccer games arranged for Saturday are as follows: Victoria West vs. Metropolis at Beacon Hill, referee, Stokes; Crusaders vs. Sons of Canada at Royal Athletic Park, referee, Lock; Thistle vs. Sons of England at Central Park, referee, Payne.

It has been decided to start play in the junior league next week. The schedule will be made up tonight, and any belated entries must be sent at once to Billie Cull at the Willows Confectionery. Entries for the Jackson Cup competition must also be sent to him by November 15, accompanied with entrance fees of five dollars for each club.

NANAIMO FOOTBALL

Hornets Practising for Return Rugby Match With Cowichan on Saturday Next

NANAIMO, Nov. 1.—The Nanaimo Hornets will meet the Cowichan fifteen in a return rugby game on the Caledonian grounds here on Saturday next.

The Hornets had a work-out practice in the Athletic Club last night, and there will be a field practice on the Caledonian grounds this afternoon. The locals have no doubts about being able to take the Cowichans into camp for the return game.

SKINNER HOLDS JOB WITH MILLIONAIRES

VANCOUVER, Nov. 1.—Alf Skinner, known as the "bullet," who in the past three seasons has been a regular on the Vancouver team, will again hold down the right wing berth. Dennis Kumor had it that Skinner was to be traded to a private club in exchange for a young player of exceptional merit. There is no doubt such a trade was contemplated, but apparently nothing tangible resulted.

WANTS PUBLIC INVESTIGATION

Mr. R. H. Pooley, of Esquimalt, Wishes Liquor Board Affairs Looked Into—Makes Serious Charges

A public investigation of liquor board affairs was advocated in the House yesterday afternoon by Mr. R. H. Pooley, Conservative member for Esquimalt.

Mr. Pooley opened up with a question as to whether His Honor the Lieutenant-Governor and the taxpayers should be congratulated this year on further progress having been made on the P. G. E. Bouquet had been passed around, but he had seen little or no congratulations extended as to the Government owned road. In respect to the Liquor Control Board, the Government cry had been that this should be kept out of politics. The point was well taken, but the Government should practice what they preached. He had certain well-known views on the liquor question and this time he was prepared to criticize the administration in the matter of appointments, the purchase of liquor, and large commissions paid to political leaders, and the loose enforcement of the act.

Wants Investigation

Conditions are so rotten, stated Mr. Pooley, that it was high time for a public investigation. The balance sheet of the Liquor Board shows gross profits and net profits, but nothing like what they should be. Money had been wasted in overhead expenses. The report shows \$127,000 paid out in salaries alone. For secret service work approximately \$75,000 per annum was needed, while incidental accounts were increasing, yet scandalous. For shortage, burglary and theft the sum of \$34,000 had been frittered away. That sum, contended the member for Esquimalt, would buy something like 1,000 cases of whisky.

Premier Oliver: "If my opinion means anything, the inference is made that members of the Government were getting free liquor."

Mr. Pooley: "I have made no charges, but anything was possible." Proceeding, Mr. Pooley claimed that there was still room for a big out in prices, citing vermouth as being purchased at \$19 a case, f.o.b. Victoria, and retailed at \$4.15 a bottle. It means, he contended, that they have got to charge high prices in order to "keep" the gang going. He suggested that the liquor report be handed over to the Public Accounts Committee.

Promises the Request

Hon. Mr. Manson: "Later in the afternoon the member for Esquimalt will have the opportunity of supporting such a motion as is suggested."

Mr. Pooley suggested that the Sumas dyking scheme finances should also be taken up by the Public Accounts Committee.

Stool pigeon methods employed by the Government were roundly criticized by Mr. Pooley, who stated his disapproval of a huge sum being spent in British Columbia to try and induce the people to break the law. It was a public scandal that then should be kept around the country on such a mission at \$5 a day, two men being reported in Victoria as carrying a blank warrant for use against any person alleged to be selling liquor.

Mr. Manson explained that this was an isolated instance where a warrant had not been fully filled out, and his department would not countenance any repetition of such a mistake.

Mr. Pooley accepted this explanation, but told the House that in New Westminster and Vancouver warrants were so common as to be called "Manson's Greenbacks." One of the boss operators, the Government had hired a Tom Denny, twice convicted of bootlegging in the prohibition era.

Recalling a recent Victoria case, the Esquimalt member claimed it was not British justice for the crown to take an appeal in order that a subject might be sent down.

Warning an ex-Rum

Mr. Pooley advised the Attorney-General to watch his step in curbing the strength of rum sold by the vendors. This would constitute a breach of the Dominion Food Act and might involve litigation if the Government blenders tampered with the strength of the rum.

A recent speech by the Attorney-General, made at Esquimalt, which Mr. Pooley was accused of not having the backbone to stay in the House when the Liquor Act was under consideration, was recalled when the member stated that his electorate knew where he (Mr. Pooley) stood on the question.

Mr. Manson, as speaker, he further pointed out, had upheld the action of the Conservative members when they withdrew from the committee. As a speaker Mr. Manson had proved to be fair, but as a politician he had proved to be a different man. The Esquimalt member (witted the Government on its failure to bring on the Vancouver by-election, and asked whether there was a difference of opinion between the Harris and Macdonald factions.

Turning to the road policy of the Government, Mr. Pooley drew attention to the failure to commence the West Coast road to Port Renfrew and also one near Shawnigan Lake. The charges made against Dr. A. H. Baker, late head of the Game Conservation Board, were recalled by the speaker, who claimed it was the

Hodson's Bay Company.

RAISES QUESTION OF EX-KAISER'S TITLES

Belgian Chamber Tells Dutch Authorities No Assumed Titles He No Longer Possesses

DOORN, Holland, Nov. 1.—The question has been raised in the Belgian Chamber whether the Dutch authorities were cognizant of the fact that former Emperor William of Germany, in an official document, was permitted to assume titles he no longer possessed. Reference was made especially to the registrar's announcement of the approaching marriage of the former monarch, which, when posted, read:

"His Majesty Friedrich Wilhelm Victor Albert, Emperor, and King Wilhelm II, no profession, domiciled in Doorn, has given notice of intended marriage to Her Serene Highness Hermine."

The burgomaster of Doorn meets the objection by stating that William is described by right of birth as emperor and king, but that he is no longer emperor or king of Prussia.

LENINE PLEASED AT VLADIVOSTOK CAPTURE

Premier Says Russia Will Make Strong Stand for a Near East Peace

MOSCOW, Nov. 1.—Soviet Moscow is assured that Premier Lenin is in good physical condition and fine spirits. He spoke publicly yesterday for the first time since his prolonged illness, making unheralded appearance before the workmen's and peasants' parliament.

Lenine voiced his pleasure at the capture of Vladivostok by the Red forces of the Far Eastern Republic. He remarked that this had given Russia an outlet to the Pacific, but he cautioned the Parliament not to overestimate the value of the incident. The whole thing had been greatly helped, he declared, by the general international situation, and especially by Soviet diplomacy.

A Last Attempt
TORONTO, Nov. 1.—Mayor McGuire announced yesterday that if he were given a second term of office as Mayor, he would retire from public life at the end of next year.

LENINE PLEASED AT VLADIVOSTOK CAPTURE

Premier Says Russia Will Make Strong Stand for a Near East Peace

MOSCOW, Nov. 1.—Soviet Moscow is assured that Premier Lenin is in good physical condition and fine spirits. He spoke publicly yesterday for the first time since his prolonged illness, making unheralded appearance before the workmen's and peasants' parliament.

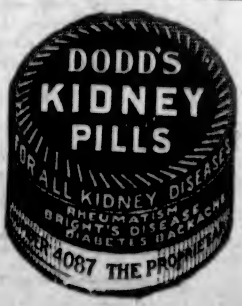

Lenine voiced his pleasure at the capture of Vladivostok by the Red forces of the Far Eastern Republic. He remarked that this had given Russia an outlet to the Pacific, but he cautioned the Parliament not to overestimate the value of the incident. The whole thing had been greatly helped, he declared, by the general international situation, and especially by Soviet diplomacy.

A Last Attempt
TORONTO, Nov. 1.—Mayor McGuire announced yesterday that if he were given a second term of office as Mayor, he would retire from public life at the end of next year.

Russia would make a strong stand at the Near East peace conference to make a Near East peace, the premier went on, explaining that the question of the straits would be particularly emphasized by the Soviets. He was quite frank about the depressed state of affairs throughout Russia, but declared that Russia was doing more to bring changes for the better than any other country.

Agriculture Neglected
LONDON, Nov. 1.—Lord Strachan, addressing the Council of the Central and Associated Chambers of Agriculture, in London today, said that to his mind, agriculture had been very much neglected and played the fool with in the last Parliament. They must see, he said, that in the coming Parliament, they had men with full knowledge of agricultural interests. Lord Strachan suggested that during the next two weeks the agriculturists should turn their ploughshares into swords and not be content with vague assurances of candid sympathy and general support of the interest of agriculturists.

BELLINGHAM, Wash., Nov. 1.—Eight Canadians who said they had served with the Canadian army during the world war, were deported by U. S. immigration authorities here today. They were charged with having entered the country illegally and said they were "beating their way" to California. During the past two weeks more than twenty former soldiers have been detained by immigration officials.

98 Out of Every 100 Women Benefited

An Absolutely Reliable Statement Important to Every Woman

Remarkable Results Shown by a Nation Wide Canvass of Women Purchasers of Lydia E. Pinkham's Vegetable Compound. — 50,000 Women Answer —

For some time a circular has been enclosed with each bottle of our medicine bearing this question: "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?"

Replies, to date, have been received from over 50,000 women answering that question.

98 per cent of which say YES. That means that 98 out of every 100 women who take the medicine for the ailments for which it is recommended are benefited by it.

This is a most remarkable record of efficiency. We doubt if any other medicine in the world equals it.

Think of it—only two women out of 100 received no benefit—98 successes out of a possible 100. Did you ever hear of anything like it? We must admit that we, ourselves, are astonished.

Such evidence should induce every woman suffering from any ailment peculiar to her sex to try Lydia E. Pinkham's Vegetable Compound and see if she can't be one of the 98

THE LYDIA E. PINKHAM MEDICINE CO.,
Cobourg, Ont. and Lynn, Mass.

Of course we know that our medicine does benefit the large majority of women who take it. But that only two out of 100 received no benefit is most astonishing.

It only goes to prove, however, that a medicine specialized for certain definite ailments—not a cure-all—one that is made by the most scientific process; not from drugs, but from a combination of nature's roots and herbs, can and does do more good than hastily prepared prescriptions.

You see, we have been making, improving and refining this medicine for over 50 years until it is so perfect and so well adapted to women's needs that it actually has the virtue to benefit 98 out of every 100 women who take it.

It's reliability and recognized efficiency has gained for it a sale in almost every country in the world—leading all others.

INTERIOR MEMBER REGISTERS PROTEST

Mr. J. W. Jones, of South Okanagan, Attacks Policies of the Government

Present policies of the Liquor Control Board, if followed to their logical conclusion, will "plunge the Government into a quagmire as to whether the Liquor Act should not be scrapped in favor of some more effective measure," Mr. J. W. Jones, Conservative member for South Okanagan, declared in the Legislature last night.

"There is an intense desire on the part of some members of the Liquor Board to increase the number of liquor stores operating in the Province," said Mr. Jones.

"I maintain that such a policy is wrong, and that it is playing into the hands of bootleggers, who I am told, are making as much revenue out of the liquor traffic as the Government. When the Liquor Act was brought down it was not intended that liquor stores should be established in all sections of the Province, but limited to a few important centres where distribution facilities could be conveniently provided. I would suggest to the Government that it reduce rather than increase the number of liquor stores and force them upon communities against the will of the electors."

Met Will of Majority
Mr. Manson interposed to say that liquor stores had in no case been established against the will of the majority.

"That does not affect the apparent policy of the Liquor Board," replied the South Okanagan member. "And it will weaken the effect of the present legislation and create doubt as to whether we should continue with the present act or not."

Mr. Jones stated the Government for what he declared to be an absolute lack of settled road policy. There was no definite programme of construction, he said, and that fact, coupled with the inadequate appropriations made for road purposes, prevented the Province from highway development which its natural characteristics warranted.

"There has been complaint of an unfair distribution of what little funds there are for road construction," said Mr. Jones.

Parts Neglected
"The claim has been made that the outlying districts, such as the Interior and the northern parts of the Province have suffered at the expense of the Lower Mainland, which has received paved roads while other districts have been forced to get along without decent gravel roads. Patronage has been altogether too rampant in regard to the road system, and this weakness has made itself felt ever since the present administration took office."

Mr. Jones spoke of the importance of good roads as a lure for tourists from other Provinces and he stated that claims of increased Provincial revenue as a result of this traffic were well founded. But he pointed out that last year 2,000 British Columbia cars toured across the boundary line into the state of Washington, and many of these cars would have remained within British Columbia, resulting in expenditure at home, if the roads of the Province were in better shape and more inviting to the tourists. He compared British Columbia's road vote of \$1,291,000 with that of Washington's \$20,000,000.

600, Oregon's \$12,500,000 and the action of the Province of Quebec, in devoting all her liquor sale profits to highway construction.

Dry Belt Affected
Plea for removal of the surtax on land and a reduced assessment was made by Mr. Jones. He stated that with the unfortunate marketing conditions in the dry belt of the past two years the fruit growers were in an unbearable position, and he charged the Government with breach of faith in continuing the surtax.

Speaking of the Merrville land settlement he stated that the Premier had promised relief to the sufferers by last summer's fire, but that so far only \$1,000 had been advanced. With winter approaching fifty-two children in twenty-seven families were in actual want. He stated that the Land Settlement Board should be dismissed as incompetent.

Policies Attacked
The South Okanagan irrigation scheme had cost \$2,500,000 so far, he said, and only 1,200 acres were under irrigation. At the last auction only nineteen of 119 lots had been bought. The prices were such that better land could be purchased elsewhere in the valley at less cost. He predicted a heavy loss in this venture, and said that it was a similar unbusinesslike investment that had raised the tax rate to its prohibitive height.

Mr. Jones ridiculed the frequent jitters abroad of the Minister of Lands, saying that the only result evident was that he had been able to study European politics at first hand. The long expected colonization policy was all unreviewed, he commented, while settlers were pouring into South Africa and Australia because these countries were alert.

REPORT BY PREMIER ON FREIGHT RATES

Summary of the Results Obtained Through Effort Made by the Province

In the Legislature yesterday afternoon Premier Oliver presented the report relative to what had been accomplished in the application made before the Railway Commissioners in the matter of reduced freight rates for the Province. The Premier said: "In support of this application, Mr. McGeer engaged expert assistance and attended many meetings of the Board of Railway Commissioners; the first of which meetings was held in Vancouver on April 7, 1921, and the last in Ottawa in February and March of the present year," the Premier said.

"Subsequent to the sittings of the Board in March last and precedent to judgment being given by the Board, a Parliamentary Committee was appointed at Ottawa to inquire into and consider railway transportation rates. This committee sat in Ottawa in May last, Mr. McGeer with myself attending before them. As one result of the first of which meetings a grain referred to the Crown's New Pass agreement rates on grain, which had been suspended in 1918, were again re-established in Parliament."

"As to the net result of your Government's application, and the judgment of the Board of Railway Commissioners, made after Parliament had restored the Crown's New Pass agreement rates, I quote from advice from Mr. McGeer as follows:

"Summing up, British Columbia received:

"(1.) The full measure of benefit of 7 1/2 per cent reduction on lumber, coal, ore and other basic commodities hereinafter mentioned, that is extended to the rest of the Dominion—namely, a reduction in rates of 7 1/2 per cent.

"(2.) A full measure of benefit included in the reduction on the rates on grain as provided for in the Crown's New Pass Railway agreement, plus whatever further reductions will be made owing to the reduction in the differentials contained in the mountain scale. (This is still subject to confirmation.)

"(3.) The benefit of a reduction of 50 per cent of the excess formerly charged in Pacific rates over and above the Prairies—namely, differential as reduced from 1 1/2 to 1; to 1 1/4; to 1; and this latter reduction is carried through all commodity rates and all terminal and distributing tariffs so as to bring them in the same relationship to present standard tariffs as they had to the former."

"An approximate estimate of the total represented by these rate reductions, and which could be considered as relieving in a measure the trade of British Columbia and the interprovincial trade originating to points in British Columbia on the three railway lines, at between two and one-half and three million dollars per annum."

At its last session the Legislature voted \$40,000 to cover the cost of the application made to the Board of Railway Commissioners, which costs the Premier gave as follows:

Disbursements	\$21,884.09
Counsel fees allowed	22,000.00
Total	\$43,884.09

The cost of attendance before the Parliamentary Committee was:

Disbursements	\$1,759.35
Counsel fees allowed	3,000.00
Total	\$4,759.35

"I feel quite sure that the claim of the Province for a complete removal of the excess rates in British Columbia caused by the mountain scale was injuriously affected by the action of Parliament in restoring the Crown's New Pass agreement grain rates, and the Government has instructed Mr. McGeer to give notice of and to prepare an appeal to His Excellency the Governor-General in Council, such appeal claiming a total removal of the mountain scale rates."

"Your Government appreciates very highly the assistance of merchants, manufacturers, Boards of Trade, and many others, more particularly all those persons who at great cost and inconvenience to themselves, accompanied Mr. McGeer and myself to Ottawa, and there attended the last sittings of the Board of Railway Commissioners."

A silver dollar, marked by an initial, came back to a woman after she had spent it 27 years before.

Public Rights on Tidal Waters
Sir.—As I have been inundated by questions on the above subject, will you therefore be good enough to print the following:

The public own tidal and navigable waters. The fact that the water is tidal does not make it public property, but when tidal and navigable, private ownership immediately ceases.

The Crown as representing the public is the owner of the soil (under these waters), and so the public is the owner of the soil. The public, therefore, when fishing or shooting there, are doing so on their own land. The above is British common law.

LEWIS CAREY,
Lieut.-Colonel.
Sidney, B.C., Oct. 28, 1922.

Used After Shaving Keeps Skin Soft and Smooth

Many men suffer from irritation of the skin as a result of shaving. With some it assumes a form of eczema and becomes most annoying and unsightly. By applying a little of Dr. Chase's Ointment after shaving the irritation is overcome and Barber's Itch and Eczema are prevented or relieved.

DR. CHASE'S OINTMENT

THE INSTRUMENT OF QUALITY
Sonora
CLEAR AS A BELL
The Highest Class Talking Machine in the World

A Wide Choice of Styles—but One Supreme Quality

THE flawless diamond comes in many settings—similarly Sonora quality is obtainable in a number of beautiful cabinets.

While the makers of Sonora have always regarded tone as the logical quality upon which phonograph leadership is built, they have gone far in search of more and more pleasing cabinet designs.

The Sonora period models are expressions of the finest work of the great historic designers. The Sonora uprights are likewise the result of long and painstaking artistic study. The Sonora "bulge models"—such as the Baby Grand—are unique with Sonora, and one of the most costly forms of construction known to furniture-making.

And in this outward beauty every Sonora houses a musical instrument of marvellous powers, of purity and sweetness unrivaled. To hear the Sonora for the first time is an experience. Visit a Sonora dealer—prices to suit all.

"Niagara Maid"
GLOVE SILK HOSE

FASCINATINGLY feminine in their perfect fit over trim ankles. The ideal hose for every occasion—with smart street skirt as well as bewitching dancing frock.

Ask at your favorite store for "Niagara Maid" Glove Silk and Thread Silk Hose, "Niagara Maid" Glove Silk Underwear, and "Niagara Maid" Silk Goggles.

All made in Canada for women who care.

My Debt of Gratitude.

"Ulcers the Size of Man's Hand."

Our portrait is of Mr. G. M. THOMPSON, of a, Midland Grove, Edward Rd., Bellingham, B.C., who writes:

"In July last I happened to get a scratch on my leg. It was slight I took no notice of it till a fortnight elapsed, when I found I could not go to work. It gradually grew worse, when I turned up the leg I found the sore turned into ulcers. I had at that particular time ulcers the size of a man's hand covering my leg. After I had tried nearly everything I read about your Clarke's Blood Mixture and decided to take it; it was then in the month of October, and after the second bottle, I found relief. I continued until the seventh bottle when I found myself completely rid of the trouble. You can make use of this statement and I will be only too pleased to answer any enquiries because it's to nothing else but Clarke's Blood Mixture that I owe my debt of gratitude."

Sufferers from Bad Legs, Abscesses, Ulcers, Piles, Eczema, Boils, Plagues, Eruptions, Cuts and Rheumatism should realize that lotions, ointments, etc., can but give temporary relief—to be sure of complete and lasting benefit the blood must be thoroughly cleansed of the impure waste matter, the true cause of such troubles. Clarke's Blood Mixture gently attacks, discharges, and drives the impurities; that is why so many remarkable recoveries stand to its credit. Pleasant to take, and free from any injurious ingredients. Of all Chemists and Druggists.

Ask for and see that you get

Clarke's Blood Mixture

"Everybody's Blood Purifier."

INDICATIONS MARKET
REACTION NEARS END

Price, However, Declined on New York Exchange—Trend of U.S. Securities Downward

NEW YORK, Nov. 1.—Prices in today's stock market continued to decline, but there were indications that the current reaction was nearing an end.

Buying on the belief that liquidation had run its course imparted strength to a number of shares at the opening, but speculators for the decline launched a heavy attack against steel and Mexican oil shares, which again unsettled the list.

The raid against steel was based on the comparatively small earnings of the United States Steel Corporation for September.

United States Steel common crumbled to 103-1/4, a new low on the movement, but later rallied a point for a net loss of 3-4 under last night's close.

Bethlehem "sp" was down more than 2 points at one time, but recovered all but one.

Cruible, Lackawanna, Republic and Vanadium also made good recoveries after early manifestations of weakness.

Other constructive news features were the passing of the 1,000,000 mark in weekly car loadings and the declaration of a 50 per cent stock dividend by the National Sugar Company.

Mexican Petroleum, only 50,000 shares of which are now reported to be outstanding in the hands of the public, again contributed to professional pressure, suffering a net loss of two points.

Standard Oil, New Jersey, again displayed marked strength, climbing 5 points, and a better tone also was noted in Standard Oil of California and Pacific Oil.

Call money opened at five per cent and that jumped to six, where it closed. The time money and commercial paper markets were quiet, with no change in rates.

Exchange Trading Quiet

Trading in foreign exchange was quiet because of the "All Saints" holiday observed abroad. Sterling held steady around \$4.45-1/2, and the continental rates were firm.

Bond prices were irregular at the opening of today's market, but they sagged later when buyers were unable to absorb the large amount of offerings emanating from large institutions.

Weakness of foreign issues and heavy liquidation of Erie Railroad lent were the features.

In the foreign group decline of a point or more were registered by Brazil 7's, Zurich 5's, Cuban 4-1/2's, Swiss 5's, Uruguay 5's and Solons 5's. Anton Jurgens 5's and Bern 5's moved against the current, climbing 1-1/2 points each.

Buyers of domestic bonds seemed inclined to favor short term issues and well secured callable bonds pending.

U. S. Government securities moved within much narrower limits, although the main trend was downward, the second 4-1/2's outstanding the largest net loss, ten cents on \$100.

U. S. Government securities moved within much narrower limits, although the main trend was downward, the second 4-1/2's outstanding the largest net loss, ten cents on \$100.

PEACHES BECOMING
SCARCE ON MARKET

Advance of the Season Marked by Fresh Fruits Gradually Disappearing from Shelves

The local markets continue to offer for sale limited supplies of what can be classified as summer or early autumn fruits, but the weather conditions are gradually sweeping these off the market.

Peaches are becoming very scarce and will soon be off the list. Tomatoes have advanced with the passing of the season.

The local prices prevailing show the following:

FRUIT, VEGETABLES, DAIRY
PRODUCE

Apples, 10-12 per box, 1.10
Pears, 10-12 per box, 1.10
Oranges, 10-12 per box, 1.10

GRAIN MOVEMENTS TO
GOVERN GOLD SHIPMENT

NEW YORK, Nov. 1.—Sir Vincent Meredith, president of the Bank of Montreal, who is in New York, told a representative of The Wall Street Journal that further shipments of gold to Canada, dependent entirely upon grain shipments through New York are completed.

National Sugar Dividends

NEW YORK, Nov. 1.—National Sugar Refining Company today declared a fifty per cent dividend on its capital stock, subject to the approval of an increase in the capital by stockholders at a special meeting November 15.

It is proposed to increase the capital stock from \$10,000,000 to \$15,000,000. In this case the stock dividend would amount to \$5,000,000.

Advance Lead Price

NEW YORK, Nov. 1.—The American Smelting & Refining Co. today advanced the price of lead from 6.50 to 6.75 per pound.

REVIEW OF BRITISH RESEARCH

Every year the British Government Department of Scientific and Industrial Research issues a report giving an account of the manifold and extremely valuable work carried out under its auspices. The latest report covers an almost bewildering variety of subjects ranging from research into fuel economy, to the study of cylinders for carrying compressed gases, such as oxygen for oxy-acetylene welding. Several instances are mentioned where the research work has already paid for itself handsomely. The investigation of the Fuel Research Board has opened up avenues of higher efficiency in the gas industry, and the experimental work carried out in the gas ship testing tank has enabled ship owners to save from two per cent to ten per cent in their coal bills.

Twenty-four co-operative research associations organized by various industries have been formed, and others are about to follow suit. Coal from motor cars, electrical plant and apparatus, non-ferrous metals, mine equipment, and many other branches of industry are covered by these associations, which receive grants in aid from Government funds. There is no doubt that the work of these associations will be of immense benefit in furthering the progress of British industry and also in enriching the resources of the whole world in scientific knowledge.

LISTENING FOR TROUBLE

The phrase "listening in" is now becoming familiar in connection with broadcasting. It has, however, other possible applications. Experiments have, for example, been carried out in the use of public electric supply circuits, both as antennae for wireless receiving and also as paths along which electric waves can be transmitted to special receivers connected to lamp holders. In this experiment it was found that there was a good deal of interference, caused by the switching on and off of motors and by other occurrences in connection with the ordinary use of electricity.

This ingenious device has been actually employed in keeping watch upon a pump motor which was at work continuously at a remote point. The least irregularity in the working of this pump could easily be heard by "listening in," and therefore the engineer-in-charge could tell whether it was necessary to send a man to adjust the machine.
